2024 STUDENT PROFESSIONAL EXPERIENCE CALENDAR

INPLACE MUST BE COMPLETED BEFORE THE CUT OFF DATE IN THE DESIGNATED WEEK

For embedded Professional Experience: successful completion of Placement and coursework (and associated assessment) are required to pass the subject overall.

All subject requirements must be completed in the same study period in which you are enrolled. If you are repeating a subject with embedded Professional Experience, you must reattempt all subject requirements (i.e., practicum completed in a previous enrolment does not count).

Out Of Step Students: It is your responsibility to contact Student Placement Team before Week 1 Study Period 81, and prior to enrolling in the subject, to request a placement. Failure to make contact will mean that a placement will not be found.
