

Captivate your Students: Beyond PowerPoint

Before you start

It is assumed that you have:

1. *The recommended system requirements*

- Intel® Pentium 4 processor or better
- Microsoft® Windows 2000 or XP with Service Pack 2, or Windows Vista™ (Any version)
- 512 MB of RAM (1GB or more recommended)
- 700 MB of available hard-disk space (additional free space required during installation)
- 800 X 600 screen resolution (1,024 x 768 or better recommended)

2. *Installed Adobe Captivate 3*

You can download a fully functional 30 day trial of Captivate at
http://www.adobe.com/go/trycaptivate_ap

You can purchase an individual copy of Captivate under the current Adobe Site License Agreement
(<http://www.jcu.edu.au/office/itr/compiu/AdobeSiteLicense.shtml>) for \$147.

3. *Prepared and organised all your project materials*

It is recommended that you create a folder on your computer that contains all the source materials including:

- PowerPoint slides
- Images (in **jpg** or **gif** format)
- Audio (in **wav** or **mp3** format)
- Video (in FLV format)

If your audio or video are not currently in the recommended formats there is a range of freeware available.
