

ORPHEUS ISLAND RESEARCH STATION

| |
|-------------------|
| Team Leader: |
| Total Tanks Used: |

Note:

- It is the responsibility of each group leader to ensure dive log is completed at end of each and every dive for ALL divers, **including the repetitive group for each dive.**
- This completed dive log **MUST** be returned to OIRS **each day.**
- Failure to return a completed dive log at the end of each trip may result in a refusal to allow any further diving activity to be undertaken at OIRS.

Dive Supervisor: _____

Vessel: _____

| Dive # | Divers's Name | Location | Date | Surface Interval | Repetitive Factor | AIR (Bars) | | Time | | Max Depth (m) | Bottom Time | Effective Bottom Time (EBT) | Repetitive Group | Sign |
|--------|---------------|----------|------|------------------|-------------------|------------|-----|------|-----|---------------|-------------|-----------------------------|------------------|------|
