

Teach and Assess - Assessment

Learning, Teaching and Assessment Procedure 3.5.2. c

3.5.2 Feedback on assessment items (excluding examinations) including grades or marks is provided in a timely manner relative to the length of the study period.

- c. Timeframes for feedback including grades or marks on individual assessment items are relative to the length of the study period:
 - Within 15 University working days of the submission date for a 13-week subject and within seven University working days of the submission date for a 7-week subject.
 - Feedback on assessment items that have been approved for an extension of time are dealt with by the Subject Coordinator on a case-by-case basis. Feedback, in formative and summative forms, is clear, explanatory, diagnostic and focusses on students improving their practice in order to achieve the learning outcomes.
