JCU: Ready today for tomorrow
Welcome to James Cook University

Education is vital to our shared future. It is only through education that we deepen our understanding of the world, gathering the skills needed to use knowledge effectively and grow as people able to contribute to society and shape a brighter future. Education also provides a route to access more challenging and rewarding careers. Yet education is also so much more: It can let us dream, explore exciting new concepts, have fun, and make lifelong friends.

As you start your international education journey, our commitment to you is that JCU is about all these things. We do so with great student experiences and exceptional academic and career outcomes. All AUstralian universities will make the same promises, but with JCU there is one big difference. While you study you can experience authentic learning in our own backyard across the Great Barrier Reef, Daintree Rainforest, and the great Australian outback. You can also work with regional and remote communities, explore ecosystems as living laboratories, or work in areas where climate change and the awesome power of nature are both fearsome and challenging.

Living laboratories, or work in areas where climate change and the awesome power of nature are both fearsome and challenging. That's why JCU is Uni, but not as you know it. For over 50 years, JCU has helped create that brighter future through the unique cultural and spiritual relationship to the land, waters and seas of First Australian peoples and their continuing and rich contribution to education and grow as people able to contribute to society and shape a brighter future.

As you explore this guide, consider the opportunities available to you and how they might enable your journey of discovery. We are committed to you having a student experience that is life changing, whether it is in one of the most fascinating places in the world or online in the comfort of your own home. Once in which you develop the skills, build your knowledge, and gain the confidence to start your career.

The COVID-19 global pandemic and international travel restrictions have resulted in changes to teaching and learning at JCU in order to keep everyone safe and adhere to Australian Government guidelines. We have made adjustments to our course offerings to enable students in some courses to study online, and will continue to work closely with our students to ensure they gain the best possible outcome from their time studying with us, and develop the skills, knowledge and confidence to launch their careers.

Study in tropical Australia

Living and studying in Northern Queensland is a truly unparalleled experience. Enjoy hands-on learning opportunities in unique and spectacular locations – including UNESCO World Heritage listed rainforests and the Great Barrier Reef. You’ll explore, discover, grow and make unforgettable memories.

Discover the best of tropical North Queensland

Our region is one of the world’s leading hubs for coastal and tropical science and environmental studies. So, if you’re interested in the future of the planet, there are few better places to study.

There is no place on Earth like the North and Far North regions of Queensland, which feature an extraordinary combination of reefs, rainforests, significant coastal, mountain and outback ecosystems, and Indigenous centres.

North Queensland offers a unique combination of:
- One of the oldest Indigenous cultures
- Tropical climate
- Sustainable environments, and
- Multicultural population.

In addition to the sunshine and picturesque natural wonders, Northern Queensland also has a significantly lower cost of living than Australian cities such as Brisbane, Melbourne and Sydney.

JCU is home to international students from more than 100 countries and is passionate about giving students from all over the world opportunities to get an exceptional education.

Maximise study-life balance

Northern Queensland makes the perfect base for a great range of outdoor recreational activities, such as:
- Rainforest hiking
- Mountain biking
- Snorkelling and scuba diving on the reef.

Enjoy our famous beaches, where white sand and crystal-clear waters await you. You may even see some of our unique native Australian animals! Have fun and get ready for an adventure – all at JCU.

“I chose to study a Master of Information Technology at James Cook University because of its flexible and diverse course structure. The course structure was very transparent and it focuses on advanced computing, networking, programming, and information systems, along with other subjects that are directly or indirectly linked to IT.”

Dikita Tuladhar
NEPAL
Master of Information Technology

“I was recommended to study at JCU by Nina Jensen who is an outstanding Marine Biologist in Norway and she also studied at JCU! It might seem scary and far away, but the staff at JCU will take good care of you and help you with any questions you might have. Just go for it, and have a memory for life!”

Aashild Oeygarden

“JCU offers amazing environments, such as the Great Barrier Reef, to explore and study. It is the best university for the study of marine turtles and their ecosystems. Researching at JCU gives you access to excellent facilities and provides all the resources needed.”

Hector Barrios-Garrido
VENezUELA
PhD

“I chose JCU because its curriculum appealed to me for its in-depth theoretical knowledge backed with practical exposure at the grass-roots level. JCU has supported me with applying non-conventional approaches to effective learning, exploring the nuances of communities in outback Australia, and strengthening my passion for Social Work. The faculty at JCU has consistently provided me with guidance to develop my own values and skills to become a responsible and resourceful professional.”

Our Learning Advisors help build academic skills and provide study tips, numeracy and basic statistics development, help with academic reading and writing, or programs to further develop your English language skills for studying at university with workshops or online programs.
Accommodation

Find the right accommodation for you to call home at JCU.

Living on-campus
Living on-campus is a great way to make new friends and immerse yourself into the JCU and Australian culture. By living somewhere comfortable and conveniently close to where you study, you can improve your overall student experience. Our on-campus options range from long corridor-style, fully-catered residences to smaller self-catered facilities. With so many options available across our different campuses, you can find the perfect place to suit your needs.

Support and security
Living on-campus is so much more than just a room. It is a safe, secure and fun way to study. All residences include academic, wellbeing and social support.
- Each bedroom has a lock that only you and our staff can access.
- Only residents get after-hours access to any buildings.
- Security cameras throughout the buildings. JCU security are on-campus and patrol the grounds 24/7 and can escort you back to your residence if you are studying late at night.
- Our on-campus team are here to support you. They are there to talk to when you need support, check on you and make sure that your health and wellbeing are on track for you to achieve your academic goals.

Find the right option for you
JCU has on-campus accommodation at JCU Townsville and JCU Cairns. JCU Townsville has five different accommodation options that house over 1,200 students, and JCU Cairns has a brand-new complex for 300 students. Whether you need accommodation for a semester or for your full degree, there are plenty of options available.
- All rooms at our on-campus residences are single board, with a single bed, study desk, chair, fan, air-conditioning and Wi-Fi.
- Each residence has a different style of living, culture and atmosphere. There are options for fully catered meals, which can be adapted to dietary requirements, or self-catered housing.

Living off-campus
Off-campus housing can include sharing a house with other students, off-campus student accommodation or renting an entire property. Before committing to a property or room off campus, always check:
- What you are getting is part of your lease. For example, images of the property with furniture may have been put there for marketing purposes only.
- Dates and length of time you are committing to. You will be signing a legal document, which you may not be able to break if you change your mind.
- The property is located close to the university campus, bus stops and amenities.

Homestay
With homestay accommodation, you are matched with a local family from the area to live with. All homestay hosts have been:
- Screened by the JCU’s homestay provider, and
- Undergo training to provide a high level of service and comfort to the student.

The newest accommodation at JCU Townsville campus will open in 2022 and will be home to more than 400 students. Designed to provide contemporary and affordable student accommodation in a secure, safe and environmentally sustainable environment, the facility will feature study bedrooms in group-share accommodation, high-quality communal facilities, and a centralised, self-catered ‘master-chef’ style kitchen and dining space. Scan the QR code for a flythrough of the new facility.
Funding your studies and scholarships

Studying at university is an investment in your future. Enhance your career opportunities with a degree designed to develop real-world skills.

When preparing your budget, we recommend you factor in all your possible expenses, including Overseas Student Health Cover (OSHC), Student Services and Amenities Fee, textbooks, study materials, living expenses and additional expenses associated with clinical placements, internships and fieldwork.

To help guide you, we’ve detailed what study costs you may incur as well as costs to think about before you arrive that are related to your studies.

**Tuition Fees**
2022 International tuition fees for all levels of study are detailed from page 24.

**Incidental and Administration Fees**
Some courses have Incidental and Administration Fees for compulsory purchases not covered by your tuition fees such as uniforms, safety equipment and participation in course-related field trips.

**Student Services and Amenities Fee**
The Student Services and Amenities Fee is a compulsory fee for JCU students and is used to provide a range of student support services and facilities.

**Overseas Student Health Cover (OSHC)**
OSHC is insurance to assist international students in meeting the costs of medical and hospital care that they may need while in Australia. As an international student, it is a condition of your student visa that you have OSHC for the entire duration of your stay in Australia.

**Financial Aid**
JCU processes financial aid for students from a variety of countries. JCU is also registered as a provider to certify and administer US Federal Aid for new and continuing US students located at our Cairns and Townsville campuses.

---

**Scholarships**
A range of scholarships and grants are available to international students at JCU.

**James Cook University International Excellence Scholarship**
Recognises and rewards excellence to eligible students from the United States, Canada, Latin America, the United Kingdom and Europe. The Scholarship provides a significant tuition fee reduction throughout the entire duration of approved full degree study programs, provided recipients continue to maintain a strong GPA each semester, as detailed in the scholarship offer.

**James Cook University International Student Merit Stipend**
Provides financial security to support excellence to eligible students from Asia, Africa, Papua New Guinea and the Middle East. The Stipend supports student excellence by providing monthly payments of AUD$700 to assist with expenses throughout the duration of study at JCU, providing a strong GPA is maintained each semester, as outlined in the scholarship offer.

English entry requirements

Students who are not proficient in English must demonstrate English language proficiency by achieving a score in a test such as Academic IELTS, TOEFL, Pearson (PTE Academic) or Occupational English Test (OET) – see table below.

Other English language tests may be accepted as proof of English language proficiency. English band requirements for each course are listed in the tables from page 24.

English language tests minimum scores

Official English test results are usually valid for two years. As a response to the COVID-19 pandemic, the validity of official English test results is extended to three years for all 2022 courses, except the Bachelor of Nursing (Pre-Registration). The results must be valid at the time of study commencement.

Bachelor of Health Science: Academic IELTS - 7.0 (with a minimum writing score of 6.0, minimum speaking score of 8.0, minimum reading and listening score of 7.0).

Bachelor of Education (BEd) (Primary) (Secondary): Academic IELTS - at least 6.5 with sub-score no less than 7.0 in Speaking and Listening and no less than 6.0 in Reading and Writing, or TOEFL - at least 86 with no less than 24 in Speaking and Listening, or Pearson (PTE Academic) - at least 58 with no less than 65 in Speaking and Listening, or 54 in Reading and Writing.

Master of Teaching & Learning (Primary) and Master of Teaching & Learning (Secondary): Academic IELTS - at least 7.5 with sub-score no less than 8.0 in Speaking and Listening and no less than 7.0 in Reading and Writing, or TOEFL - at least 108 with no less than 28 in Speaking and Listening, no less than 24 in Reading and Writing, or Pearson (PTE Academic) - at least 73 with no less than 79 in Speaking and Listening, no less than 65 in Reading and Writing.

Higher Degrees by Research (HDR): Competitive JCU scholarships require students to meet Band 3a requirements.

Other English language tests may be accepted as proof of English language proficiency. Some qualifications may satisfy our English language requirements.

Students who meet the academic entry requirements for entry into a JCU degree, but not the English language entry requirements, may be eligible to receive a ‘packaged offer’ consisting of a period of academic English language studies, plus an offer into a JCU course. Some courses may require an IELTS test after completion of the EAP program.

“As an international student from the US, I’m used to large lecture sizes which limits the amount of time you get interacting with your professor. The smaller lecture sizes JCU offers enable you to learn from leading scientists on a first-name basis, which really adds to the overall learning experience.”

5. Submit your Candidature Application online
   - Select ‘Apply international’ and register as a first time user on JCU’s application portal using your full legal name as it appears on your passport.
   - Prepare electronic copies of your documentation as requested on the website – for example, academic transcripts, academic English proficiency results, and your advanced standing (credit) application.
   - Note: Your academic transcripts must be accompanied by the grading scale used at the institution where you undertook your studies. If your documents are not in English, you must include an official translation.
   - If your native language is not English you need to demonstrate your English language proficiency, please see page 14.
   - Applicants who have successfully completed two years of full-time study in which the language of instruction was English may satisfy the English requirement.
   - If your offer letter includes:
     - name and duration of the course you have been accepted into
     - tuition fees, student services and amenities fee, and Overseas Student Health Cover
     - any advanced standing (credit) awarded for previous study (if subject outlines from your previous study were provided with your application).

6. Assessment
   JCU will assess your application based on the documents provided and the course selected. You will be advised of any additional documentation required.

7. Receive your offer
   If your application is successful then JCU will send your offer by email.
   Your offer letter includes:
   - name and duration of the course you have been accepted into
   - tuition fees, student services and amenities fee, and Overseas Student Health Cover
   - any advanced standing (credit) awarded for previous study (if subject outlines from your previous study were provided with your application).

8. Accept your offer
   Once you have received your offer, please sign each page, complete the Acceptance and Payment form, ensuring you meet any conditions outlined in your offer Schedule and return it to International Admissions, or your JCU representative, along with any payment as set out in your offer letter.

9. Apply for your Student Visa
   JCU will then issue you an electronic Confirmation of Enrolment (eCOE). This is the document you need to obtain your Australian Student Visa from your nearest embassy or consulate in your home country.
   Further details will be provided on acceptance of your offer.
“The highlight of my study experience has been my 2nd year rural placement in Emerald. We (the students) were welcomed like family. The staff invited us to trivia nights, social gatherings, and made us feel at home. The patients were wonderful, and happy to let us practice newly learned clinical skills. Weekends were spent exploring the countryside and fossicking (prospecting) for sapphires at Pats Gems. It was a truly great introduction to rural medicine and the rural lifestyle.”

DECLARATION (all applicants must complete)

I declare that the information I have supplied on this form is, to the best of my knowledge, complete and correct. I acknowledge that my application is subject to acceptance by James Cook University and that any offer for a place may be subject to additional conditions which will need to be met for eligibility for admission.

STUDENT VISA DECLARATION

I make this declaration in relation to my application for my preferred course/s at James Cook University (JCU) and understand that the University will rely on this declaration in relation to any offer of enrolment in the Course which is made to me. I declare that:

- I am a Genuine Temporary Entrant.
- Studying the Course is my primary purpose for coming to Australia.
- I understand that if I am granted an Australian student visa, I will have to comply with the conditions attached to my visa.
- I believe that I am academically qualified for the Course and that I have the English language competency to commence the Course.
- I have calculated the cost of my course, aware of the current exchange rate between the currency of my home country/region, and the Australian dollar and understand that the exchange rate will vary from time to time.
- I have genuine access to the funds required*.
- If I have ever been refused a visa for entry into Australia, I have advised JCU and provided a copy of the visa refusal notification from the Australian Government.
- If I have ever been refused a visa for entry into another country/region, I have advised JCU of the country/region referral provided relevant documentation.
- If I have ever been refused a visa for entry into another country/region, I have advised JCU of the country/region referral provided relevant documentation.

For the definition of Genuine Temporary Entrant under the Visa and Home Affairs requirements, see the Department of Home Affairs (DOHA) Genuine Temporary Entrant requirements.
