Master of Marine Biology

Research

2027 ENTRY

Useful study planning / enrolment resources

Course and Subject Handbook	Academic Calendars	Class Registration	Enrolment Resources

Attention International Student visa holders: To remain compliant with your enrolments requirements as a Student visa holder you are required to enrol in at least one On-Campus, Multi-Modal or WIL subject offering in each compulsory study period and you cannot enrol in more than one third (33%) of your total course load through online or distance learning. To complete your course within your CoE duration students must maintain sufficient subject enrolment. If you are receiving US Federal Aid, there are further compliance considerations. Please contact financialaid@jcu.edu.au to confirm compliance of your subject selections.

Student Resources: If you require advice about your study plan, choosing electives, or which subjects to enrol in, please contact your major advisor or degree coordinator (CSE Course and Major Advisors). For information on available elective subject options please also refer to the Study Area guide (JCU STUDY AREA GUIDE — College of Science & Engineering).

Intensive on-campus requirements: Subjects labelled with *Intensive on-campus requirements involve mandatory on-campus or fieldwork attendance with extended hours over a dedicated face-to-face period. Please check the face-to-face dates for the subject in the subject handbook and do not enrol in subjects with overlapping face-to-face dates. For more information, see the CSE Student Guide to Succeeding in Trimester 2 Intensives on the CSE Student Resources webpage.

Course Handbook

Master of Marine Biology Handbook	Research Major

Course Notes

Ongoing enrolment in this major will require completion of 24 credit points with a minimum GPA of 5.5 and confirmation of a research supervisor and project

Please refer to the Master of Marine Biology Handbook for subject guidance information when selecting your Stream and List 1 subject. Students must select a total of 9 credit points of subjects from one of the listed streams, 3 credit points from the List 1 (Advanced Quantitative Skills), and 9 credit points of Any Level 5 Science Subjects.

Award Title	Master of Marine Biology
Abbreviation	MMarBiol
Credit Points	48
AQF Level	Level 9 - Master's Degree (Coursework)
Location	Townsville Bebegu Yumba
Division	Academy
College	College of Science and Engineering
Expected Time to Complete	2 Years
Maximum Time to Complete	6 Years
Maximum Leave of Absence	2 Years
CRICOS Code	107243C
