

# YourJCU Survey folder

## How to add the YourJCU Survey folder to your LearnJCU Subject

1. Log into your LearnJCU subject site and navigate to the folder in your Subject Content area where the YourJCU Survey folder is to be added
2. Hover over the link just below the folder until a + displays, then select **Content Market**

3. Locate the YourJCU Survey tile and click the + icon on the bottom right of the tile
