## ACE Maritime University: Call for student applications by 27<sup>th</sup> May

Applications are open for Australian masters or early PhD students to apply to study on board the RV *Akademik Treshnikov* from **20 November to 15 December 2016**. This is an initiative of the Antarctic Circumpolar Expedition\* (ACE).

---

---

This is an opportunity for students from UK, **AUSTRALIA**, South Africa, France, Switzerland, Russia, Norway and the USA.

A total of 5-6 Masters or early PhD students enrolled at an Australian University will be selected to participate in this voyage. The ACE-funded Maritime University, under the auspices of the Russian Geographical Society, offers an opportunity for Masters or early PhD students to participate in the ~25 day transit on board the RV *Akademik Treshnikov* immediately prior to the Antarctic Circumpolar Expedition. This transit cruise will take the ship from Bremerhaven, Germany to Cape Town, South Africa and while transiting will run an intensive course that includes class-room lectures, assignments, a mini-dissertation and hours working on the deck with experienced researchers. There will be 40-45 students on board together with about 20 experienced researchers who will be setting up their equipment for the ACE cruise and have accepted to contribute to the teaching/mentoring on the ACE Maritime University.

All costs (including one night in Bremerhaven and Cape Town and all travel and subsistence will be covered apart from the students' medical coverage (private or university health insurance) and their outdoor clothing for the cruise.

Please find attached the application form for the ACE Maritime University.

Applicants should all send their application files/forms direct to: [aceproject@epfl.ch](mailto:aceproject@epfl.ch) by **27 May 2016**.

### **Proposal for the development of on-campus childcare, Cairns**

A working group comprising of staff and students from the JCU Cairns campus are currently designing a proposal for the development of on-campus childcare.

---

---

There is currently no option for staff or students to access childcare at JCU Cairns. We believe that the development of childcare facilities would be a convenient option for parents studying or teaching on campus, as well as the wider community. On-campus childcare also has the possibility of creating more flexible study options for on-line or potential students. We are currently trying to establish the need for this service and would appreciate it if you could take a minute to fill in our survey.
