PASS (Peer Assisted Study Sessions)

PASS is a FREE academic support program for 1st year students.

PASS provides a casual, friendly and active learning environment where students can work together to better understand the content and learning objectives for a subject. The study sessions are facilitated by an experienced student leader and focus on integrating course content (what to learn) with academic reasoning and study skills (how to learn).

Why attend PASS?

- Improve marks and overall academic performance
- Study more effectively
- Understand subject content more deeply
- Develop closer relationships with other students
- Develop teamwork and communication skills
