Overview

A banner image can be added to your subject site to give it a distinctive branding. An effective banner can help students identify your subject while adding visual appeal. Once uploaded, the banner will appear at the top of the Entry point page for the subject.

Adding a banner to a subject site

1. Turn **Edit Mode ON**
2. From **Control Panel > Customisation**, select **Style**

3. In the **Select Banner** section, click on the **Browse My Computer** button to select the image you wish to add.

It is a good idea to size your images to the appropriate dimensions **BEFORE** uploading to LearnJCU. Images must be in **JPG, GIF or PNG** format.

5. Select Banner
