

Research Integrity Training for Researchers

Compulsory Research Integrity Training modules can be found in a LearnJCU Organisation for your College/Directorate.

- **Research Integrity Compulsory Module 1: The Responsible Conduct of Research**, will take approximately 45 minutes to complete.
- **Research Integrity Compulsory Module 2: When Things Go Wrong: Breaches of the Code**, will take approximately 25 minutes to complete.

Research Integrity Training Elective Modules 3-8 are not compulsory, but it is highly recommended that researchers complete these modules.

- **Research Integrity Elective Module 3: Planning your Research**
- **Research Integrity Elective Module 4: Managing and Recording your Research**
- **Research Integrity Elective Module 5: Data selection, Analysis and Presentation**
- **Research Integrity Elective Module 6: Scholarly Publication**
- **Research Integrity Elective Module 7: Professional Responsibilities**
- **Research Integrity Elective Module 8: Communication and Social Responsibility**

The instructions below outline how to access the modules, complete the training and training declarations.

1. Login to LearnJCU (<https://www.jcu.edu.au/learn>) and navigate to your Organisations.
2. Choose the appropriate module and follow the links to launch the training. If the modules are not accessible to you, please email researchintegrity@jcu.edu.au and we will enrol you manually in the training site.
3. When done complete the Training Declaration for Modules 1 and 2 – Clicking on ‘True’ and submitting your answer to declare that you have completed the module.
4. Later, complete the Elective Modules 3-8 (there are no Training Declarations for these optional modules).

The screenshot shows the LearnJCU interface. On the left is a navigation menu with options like Welcome, Activity Stream, Subjects, Organisations, Calendar, Messages, Grades, Tools, and Sign Out. The main content area shows a list of organizations for 'Research Integrity Training for Researchers'. The selected organization is 'Research Integrity Training for Researchers - CSE'. Below this, there is a 'Details & Actions' sidebar and an 'Organization Content' section. The 'Organization Content' section lists several modules, including 'Research Integrity Compulsory Module 1: The Responsible Conduct of Research', 'Module 1: The Responsible Conduct of Research', 'Module 1 - Declaration', 'Research Integrity Compulsory Module 2: When Things Go Wrong: Breaches of the Code', and 'Research Integrity Training Elective Modules 3-8'. A blue arrow points from the 'Research Integrity Training for Researchers - CSE' organization card to the 'Research Integrity Compulsory Module 1: The Responsible Conduct of Research' module card in the 'Organization Content' section.

If you have any questions or problems accessing the organisation, modules or completing the Training Declaration, please email researchintegrity@jcu.edu.au.
