Sponsorship Packages

INVITATION

FUTORES II (Future Understanding of Tectonics, Ores, Resources, Environment and Sustainability) will be held in tropical Townsville, Queensland, Australia, 4-7 June 2017.

The conference will address issues related to new understandings in mineral deposits, tectonics, and metallogenesis, basins and energy, new technologies and approaches in exploration, including the challenge of exploration in areas with cover, and future trends in the minerals industry.

The FUTORES II conference will have a similar format to the inaugural and highly successful FUTORES conference held in 2013. The Economic Geology Research Centre (EGRU) at James Cook University is proud to host this event and we welcome academic colleagues, industry and government geologists, and students to this inspiring and exciting conference.

The conference features 5 concurrent symposia:

- **David Groves Symposium: New Insights in Mineral Deposit Understanding**
- **New Technologies and Approaches in Mineral Exploration**
- **Tectonics and Metallogenesis**
- **Basins and Energy**
- **Future Trends in the Minerals Industry.**

The conference will be at The Rydges Southbank Townsville, Queensland.

The organising committee invites companies, institutions and technology providers to support this meeting by becoming a sponsor/exhibitor. A range of sponsorship packages is offered.

We look forward to welcoming you to tropical Townsville.
