

Zoom connection guide AV Touch Panel

General information

Zoom meetings involving one or more centrally bookable videoconference enabled rooms are usually scheduled by VAVS to connect automatically, provided <u>videoconferencing@jcu.edu.au</u> is invited by the organizer. Hence, the only requirement for the room participants, is to turn on the AV system and setting it in **Videoconference mode**.

Join a Zoom meeting manually

- 1. Set the AV system in Videoconference Mode
- 2. Touch the VC Control tab

3. Touch the Contacts button

4. Locate and touch the Zoom Meeting folder entry
