Why JCU?

An exceptional learning experience in one of the most exciting places on Earth.

A brighter future

James Cook University (JCU) is Australia’s leading University for the Tropics. We offer a world-class learning experience with the aim to give you, our students, the best possible start to your career.

Our strengths lie in quality teaching and practical training for the workforce. Our small class sizes ensure you receive the attention from your lecturers and tutors that will help you excel.

At JCU you are encouraged to experience opportunities outside the lecture theatre - under the sea, in local clinics and offices, overseas and in the rainforest and outback. You’ll leave your study life prepared for the competitive demands of the global workforce.

James Cook University (JCU) is committed to building strong and mutually beneficial partnerships that work towards closing the employment, health and education gap for Australian Aboriginal and Torres Strait Islander peoples.

Our students come from many backgrounds, promoting a rich cultural and experiential diversity on campus.

We acknowledge the Australian Aboriginal and Torres Strait Islander peoples as the Traditional Owners of the lands and waters where we operate our business. We honour the unique cultural and spiritual relationship to the land, waters and seas of First Australian peoples and their continuing and rich contribution to James Cook University and Australian society. We also pay respect to ancestors and Elders past, present and future.

Kassandra Savage (JCU Alumna), ‘Coming Together and Respecting Difference’, acrylic on canvas, 2014, 90cm x 90cm.
Finding the right accommodation to suit your individual needs is an important step in preparing for life at James Cook University. Living somewhere comfortable and convenient while you are a student will improve your overall university experience, so it’s important to get it right.

There are many accommodation options available to you and our Accommodation team can help you find a place that suits your needs.

A great way to experience university at JCU is by living on campus with other students. Our on-campus options range from long corridor-style, fully-catered residences to smaller self-catered facilities.

We can also assist you in finding homestays, community living, share housing, off campus purpose built student accommodation or a place of your own near the University campus. With so many accommodation options available, you’ll be able to find something that suits your lifestyle and budget.

As regional cities, Cairns and Townsville offer many of the facilities of larger cities, but without the traffic and congestion. The locals are friendly and the region’s natural attractions are easily accessible.

You can experience the wonders of the World-Heritage listed Great Barrier Reef and be inspired by the ancient tropical rainforests of the Wet Tropics. With warm, sunny weather almost all year, Cairns and Townsville provide the perfect locations for you to combine study with adventure, and a relaxed, tropical lifestyle.

If you’re looking for a place to call home during your time at JCU, we can help you make the right choice. JCU’s Accommodation team are available to guide you through the possibilities and help you find a place to begin your university life.

With a variety of sporting, recreational and fun events on offer, campus life provides a busy social program for students. During your years at JCU you’ll develop friendships and memories that will last long after you graduate.

“My best memories of living on campus come from the overpowering enthusiasm and support the students show to one another during inter-college activities.”

Luke McCarthy
Bachelor Electrical and Electronic Engineering/ Bachelor of Physics
When you first arrive

During your first week on campus you will complete an orientation process. This is your opportunity to learn about on-campus facilities, support resources, evacuation and emergency procedures as well as the location of amenities such as public transport, nearby supermarkets and medical services.

You will be welcomed by a trained and dedicated Residential Assistant (RA), who will ensure you are familiar with the facilities and are settling into university and campus life. Your RA will become your source of information and support for all matters relating to your time on residence. Additionally, you will have support 24/7 should you have any concerns while settling into your accommodation. We aim to make adapting to your new home as smooth and comfortable as possible.

Your room is your own private space and should reflect your individuality. You are welcome to add photos or personal touches so you feel at home.

One of the most exciting things will be meeting the other students. We organise activities in the first week to help you get to know other residents, particularly those who are studying the same course as you.

Life on campus

Living on campus is a fun and exciting way to experience university life. There is always something happening such as fun orientation activities, block functions, concerts, valedictory balls, international food nights and themed events.

Each residence has a common room where fellow JCU residents can watch TV, play pool, table tennis or just hang out with friends.

You can take a bike ride in the outdoors (we have some great mountain bike tracks right on our doorstep), spend some time getting to know the native inhabitants (there are kangaroos, green tree frogs and bush turkeys), or contribute to the fresh produce in the community garden.

If you want to fire up your competitive and social spirit, get involved in the inter-college sport and performing-arts competitions.

One of the biggest events on the Townsville college calendar is the Fisher Shield which ignites the rivalry between each of the residences. The highly sought after Fisher Shield is awarded to the best residential college team competing in a series of sporting events throughout the year such as rugby, soccer, basketball and swimming.

Each college has dedicated sport representatives who recruit and motivate residents to get involved in the team or cheer squad. These representatives take their roles seriously but always ensure being part of the team is fun and a great way to meet new people.

If sports aren’t your thing you can always represent your team in the inter-college music competition. Dance, sing or play an instrument to compete against the other colleges for the title or just enjoy some great performances and support your fellow students.

Northern Queensland has something for everyone. Whether you enjoy water sports, mountain biking, shopping or eating out - we’re confident you will find plenty to keep you busy when you’re not studying.

Living on campus

JCU Townsville offers five on-campus accommodation options for up to 1200 students. Three of the residences are owned and operated by the University and two by JCU affiliated private colleges.

Our brand new on-campus residence in Cairns opened in 2018 allowing 300 students to live on campus.

Research has shown that students who live on campus are more likely to achieve higher grades and complete their courses*. This is due to the support from peers and residential staff who all want to see you succeed as well as less outside distractions.

Moving to university from high school and out of home is often a significant transition for both the parent and the student. As such we provide additional support to school and first time home leavers to ensure transition into university life is smooth and successful.

Students living on campus receive support from a Residential Assistant (RA) – a senior student who has experienced residential living and undertaken a leadership course to supervise and assist the residents. There is usually one RA assigned to between 12 and 20 students. RAs are supported by Senior RAs and Principals of the colleges, to provide 24-hour support, should you need it.

All of the on-campus accommodation residences are different and offer a range of living and support options to suit the needs and requirements of our students. It is best to do your research to find the one that will work for you.

JCU’s on-campus accommodation is very popular so we suggest you apply as early as possible so you don’t miss out.

Townsville on-campus accommodation

JCU Halls of Residence

The focus is on providing a safe environment to study and develop social skills. The halls provide a variety of living styles with a strong support structure offering residents quiet areas, girls only floors/units and catering to all dietary requirements.

University Hall

This is one of the largest and oldest of the halls and is closest to the University’s teaching facilities. With the capacity to house 291 students, University Hall has a variety of living styles from the long corridor-style in the main building to unit-style in the townhouses. The main residence has 36 rooms per floor, each with their own private balcony and shared bathroom. These have recently been fully refurbished. The townhouses are large units with seven, eight or nine bedrooms sharing two bathrooms.

George Roberts Hall

George Roberts Hall is the newest of the halls on campus and consists of eight blocks, each with up to 15 units consisting of three or four bedrooms. Each unit has a communal lounge, bathroom, and kitchenette. A large common room and BBQ area are also available adjacent to the dining hall. Two units on the ground floor are purpose designed as special-access units.

Rotary International House

This is fully self-catered accommodation with kitchen, living room, dining room and balcony shared between seven students. Each bedroom offers standard facilities that includes hand wash basin. The community garden provides fresh produce that can be accessed by all students. With 118 students, this is one of the smallest colleges and is surrounded by the bushland providing a quiet setting.
Features and services

All Halls provide the following:

**Private room with**
- King single bed
- Study desk and chair
- Bookshelves
- Spacious wardrobe
- Air conditioning
- Fan
- Wi-Fi
- Secure swipe lock system

**Common areas**
- TV rooms
- Computer labs & printers
- Theatres
- Junior & senior common rooms
- Study areas
- Kitchenettes
- Outdoor seating
- BBQ

**Services include**
- Laundry
- Security cameras

**Services include**
- Three meals per day (except Rotary International House)
- Weekly cleaning of communal areas
- Maintenance
- Administration
- Security
- Pastoral Care 24 hours/day
- Car parking and bicycle storage and repair facilities
- Bicycle hire program
- Accessible rooms available

**Contract terms are 40 weeks which include**
- Full academic year
- Mid-year break
- Early arrival to assist with induction
- Ability to arrive early or extend contract term
Affiliated Colleges

The two Affiliated Colleges are located on campus at JCU and offer a home away from home. They provide a safe and supportive environment to ensure students not only strive to achieve their very best but also enjoy their time at JCU.

Saints Catholic College

Saints Catholic College operates within a collegiate environment with an emphasis on community. Saints provides accommodation for 298 students across 3 wings; St Paul’s, St Raphael’s and St Mary MacKillop. St Paul’s Wing and St Mary MacKillop Wing are unisex buildings with single gender bathroom facilities and St Raphael’s is a women only Wing.

The College is committed to providing quality pastoral care in an inclusive community where the academic, sporting, cultural, social and spiritual development of all students is paramount. The College has a social worker on staff, live-in staff and after hours security where students have support 24/7. Academic support is offered to all residents along with a well-regarded academic mentoring program for first year students.

The John Flynn College

The John Flynn College is a family of students and staff who care for one another. It is committed to excellence in academia, sport and life, and encourages you to be who you want to be. Three room styles exist for 250 students; standard, cluster and shared ensuite. A multi-purpose hall provides a large air-conditioned space for formal occasions, cultural activities and study. Academic tutorials, a music room, high speed Wifi, JCU gym and pool access, daily newspapers and a business centre are included in the fee structure. The College is known for its pastoral care and student leadership programs.
Laundry Services include

- Three meals per day
- Weekly cleaning of communal areas
- Washing of linen
- Maintenance
- Administration
- Security
- Study groups and mentoring
- Pastoral Care 24 hours/day
- Car parking
- Bicycle storage and repair facilities
- Accessible rooms available

Contract terms are 35-40 weeks which include

- Full academic year
- Ability to stay during mid-year break
- Early arrival to assist with induction
- Ability to arrive early or extend contract term

© James Cook University, March 2018
Our brand new and first on-campus residence at JCU Cairns, John Grey Hall, was officially opened in 2018.

The seven-storey, 300-bedroom octagonal building offers a variety of apartment style living options including ensuite studio apartments, six bedroomed apartments with individual ensuites or six bedroomed apartments with shared bathroom facilities.

All apartments are self-catering and are equipped with modern cooking facilities including cooktop, convection oven, and refrigerator. Each individual bedroom is lockable and includes air conditioning and Wi-fi. The 42m long internal grass courtyard features shared BBQ facilities and is the perfect place to relax.

The facility is managed by UniLodge with an on-site manager and administrative support team, with Residential Assistants helping to provide pastoral care to students.

To provide first-year students with support for their best chance of university success we guarantee a room in our student housing for all first year students. Apply on our website.

Precincts A, B, C, D, E, and F (TBC) are color-coded in the map. Precincts A, B, C, D, and E are represented in different colors, while Precinct F is marked as "TBC." The map also shows the location of the Student Hub, Library, and JCU Dental, among other facilities.
Off-campus accommodation

Sharehouses and Rentals
The JCU website includes an Off-Campus Database with many different options of housing specifically for students. There are lots of options available that are close to campus, the beach or the city. The database is updated regularly with houses to rent or share so check back regularly for updates.

Homestay
A number of Homestay programs are available for short and long-term periods. The Homestay program allows students to live and become part of a family network during their stay. Students are matched with a family and are provided with additional support from the trained program developers if required. All families have been vetted to meet the Homestay standards including police check and have a blue card issued. Take a look on our website at the different options available.

Cairns Student Lodge
Students at JCU’s Cairns campus also have the option of residing at Cairns Student Lodge. The fully renovated, purpose built student accommodation is just an eight-minute stroll from the campus.
Set amongst tropical gardens with great facilities such as a resort style swimming pool, volleyball court, BBQ and 24-hour DIY kitchen amenities, the Lodge enables students to enjoy the relaxed, community lifestyle living amongst other students.
Each of the 76 units feature three private, air-conditioned, lockable bedrooms which include a bed (double or single), with mattress protector, desk, chair, shelves, desk drawers, wardrobe and ceiling fan, as well as free Wi-fi.
As all meals are provided in the student dining hall, the unit does not feature a full-sized kitchen, however, a kettle, microwave and a fridge/freezer are included. The study areas and engaging social spaces contribute to the communal vibe where you can get to know the other residents and make lifelong friends.
Rates start from $199 per week and include all meals. Further information may be found on www.cairnsstudentlodge.com.au

How to apply/deadlines
Applications can be made through the JCU website. Please visit www.jcu.edu.au/accommodation for information on how to apply.
JCU’s on-campus accommodation is very popular so we suggest you apply as early as possible so you don’t miss out.
