

Dear

Re: Exposure Letter for Use of Carcinogen

| | | | |
|--|--|---|--|
| Name of Carcinogen: | | | |
| Supervisor: | | | |
| Division/College/Directorate: | | | |
| Date commenced working with Carcinogen: | | Completion Date of working with Carcinogen: | |
| Was the Work Identified to Have Potential for Exposure? | | If Yes, was Health Monitoring Recommended? | |
| If Health Monitoring was required, details of schedule and testing undertaken: | | | |

Records of the possible exposure are maintained within the JCU Records Management System. Requests to obtain information can be sent to the HSE Unit.

Sincerely

JCU Health Safety & Environment Unit
