ADDITIONAL SELECTION REQUIREMENTS

Applicants must have completed a minimum of one year of full-time clinical experience (or part-time equivalent) as a registered nurse.

INHERENT REQUIREMENTS

Inherent requirements are the fundamental abilities, attributes, skills and behaviours needed to complete the learning outcomes of a course while preserving the academic integrity of the university's learning, assessment and accreditation processes. Students and prospective students must be able to demonstrate that they have acquired or have the ability to acquire the inherent requirements for their degree. For more information refer to Inherent Requirements page.

REASONABLE ADJUSTMENTS

Reasonable adjustments may be made to assist students manage additional circumstances impacting on their studies provided these do not change the academic integrity of a degree. Reasonable adjustments do not alter the need to be able to demonstrate the inherent requirements of the course.
