## Useful study planning / enrolment resources

**Attention International Student visa holders:** To remain compliant with your enrolments requirements as a Student visa holder you are required to enrol in at least one On-Campus, Multi-Modal or WIL subject offering in each compulsory study period and you cannot enrol in more than one third (33%) of your total course load through online or distance learning. To complete your course within your CoE duration students must maintain sufficient subject enrolment. If you are receiving US Federal Aid, there are further compliance considerations. Please contact financialaid@jcu.edu.au to confirm compliance of your subject selections.

**LANTITE requirement:** It is a national requirement that all Initial Teacher Education pre-service teachers undertake the Literacy and Numeracy Test for Initial Teacher Education (LANTITE). The LANTITE must be attempted before the end of the first year of full-time study (or equivalent). It must be successfully completed prior to placement and GTPA assessment in the final year of study.

**Essential Placement Information:** It is a Pre-Placement policy requirement to complete InPlace before the cut-off date in the designated week. Please refer to the Professional Experience Calendar in the EDU_Profex Community Site. For embedded Professional Experience, successful completion of Placement and coursework is required to pass the subject overall. Out Of Step Students must email placements@jcu.edu.au at the commencement of the study period prior to enrolling in the subject to request a placement.
