

Welcome to Blackboard Collaborate. We will begin the session shortly.

The image shows a laptop displaying the Blackboard Collaborate interface. On the left, a sidebar menu is open, listing options such as 'Start Recording', 'Use your phone for audio', 'Report an issue', 'Tell me about Collaborate', 'Blackboard Collaborate Help', and 'Privacy Policy'. A yellow arrow points from the text 'Open to access session options' to the hamburger menu icon in the top-left corner of the screen. At the bottom of the sidebar, the 'Leave Session' button is highlighted with a yellow box, with an arrow pointing to the text 'Log out'. In the center of the screen, a user profile card for 'Judy Teacher' (Moderator) is visible, showing status options like 'Away' and 'Leave Session', and a 'Feedback' section with icons for 'Happy', 'Sad', 'Surprised', 'Confused', 'Faster', 'Slower', 'Agree', and 'Disagree'. A yellow box highlights the bottom-left corner of the screen, containing icons for a person silhouette, a microphone, a video camera, and a hand icon. A yellow arrow points from the text 'Click the silhouette to indicate status or give feedback | Turn on audio or video | Raise your hand' to this box. On the right side of the screen, a yellow circle highlights a button with a double-left arrow icon, with an arrow pointing to the text 'Open to access:'. Below this, a list of options is shown: 'Chat', 'Attendees list', 'Share content', and 'Settings'. At the bottom right, a white toolbar contains icons for chat, attendees list, share content, settings, and a close button.
