

AV Equipment Guide

System Components

The following equipment is connected to the AV system:

- 1x Flat Panel Display
- HDMI, VGA & 3.5mm audio cables – To connect Digital & Analog laptops

AMX 8-button keypad

The AMX 8-button keypad is used for all interaction with the AV system

Press the **On button** to turn on the AV system

Show Analog Laptop

Connect the VGA and 3.5mm audio cables, enable the laptop's dual display (Duplicate) and press the **VGA button** to show it on the flat panel display.

Show Digital Laptop

Connect the HDMI cable, enable the laptop's dual display (Duplicate) and press the **HDMI button** to show it on the flat panel display.

Volume control

Press the **Volume Up** or **Volume Down** button to adjust the volume. Ensure the laptop audio is turned up and not muted if the presentation contains an audio component. Press the **Audio Mute button** to mute audio.
