

### To register on eStudent:

1. Log into eStudent: <https://secure.jcu.edu.au/eStudent/login.aspx>
2. Click on **'My Details'** (top left, next to 'Home')  
Click on **'My Disability Details'** (2<sup>nd</sup> in the drop-down menu)
3. Read the first paragraph of the **'Disability Details'** however the second paragraph is incorrect. You **CANNOT** change or confirm these details at any time by clicking the appropriate button below, because they are not active and cannot be selected:
  - Yes, I do have a disability, injury, illness and/or health condition.
  - Yes, I am interested in accessing support from AccessAbility Services  
(This is due to technical issues with the software interface that cannot be corrected at this time)

By clicking the **'Update'** button, you will be taken to the next screen.

4. **Disability > Change Details** - Select **'Yes'**, you *do* have a disability, injury, illness and/or health condition. Then click on **"Save"**.  
If you have a temporary disability, injury, illness and/or health condition this is where you can change these details at any time by changing your selection to **"No"** and clicking on **"Save"**
5. Read the information on the next screen and select **"The disabilities that apply to you..."** and **"if you are interested in Accessing support from AccessAbility Services"** select **"Yes"**
6. **"I require the following support..."** will appear and you can select the type of support you are interested in accessing from AccessAbility Services. **Select the boxes** that most closely match your possible needs and clicking on **"Save"**.
7. You do not need to provide any further information in the text boxes on the next screen, as you are meeting with and AccessAbility Advise and your requirements are to be discussed during your appointment.
8. Click **'Save'**. At the top of the screen, you should see the message...
9. **Log out** of eStudent (top right of screen).
