Welcome to James Cook University

“

Education is vital to our shared future.

It is only through education that we deepen our understanding of the world, gathering the skills needed to use knowledge effectively and grow as people able to contribute to society and shape a brighter future. Education also provides a route to access more challenging and rewarding careers.

Yet education is also so much more: It can let us dream, explore exciting new concepts, have fun, and make lifelong friends.

Our commitment to you is that JCU is about all these things. We are also about great student experiences and exceptional academic and career outcomes. All Australian universities will make the same promises, but with JCU there is one big difference. While you study you can experience authentic learning in our own backyard across the Great Barrier Reef, Daintree Rainforest, and the great Australian outback. You can also work with regional and remote communities, explore ecosystems as living laboratories, or work in areas where climate change and the awesome power of nature are both fearsome and challenging. That's why JCU is Uni, but not as you know it.

For over 50 years, JCU has helped create that brighter future through education and research that makes a difference. We are committed to bringing together our natural world, the built environment, people and societies, through experiential learning. We do so with a view to living the United Nations' Sustainable Development Goals and were ranked #5 in the world¹ for our commitment to good health and wellbeing. Other accolades include being in the world's top 25 universities for ecology², the top 100 for earth and marine science and environmental science³, and being independently rated five stars for starting salary, full-time employment and student teacher ratio⁴. These achievements are hard earned and a tribute to the

commitment of academic and professional staff in supporting students on their journey to becoming well-rounded graduates.

As you explore this guide, consider the opportunities available to you and how they might enable your journey of discovery. We are committed to you having a student experience that is life changing, in one the most fascinating places in the world. One in which you develop the skills, build your knowledge, and gain the confidence to launch your career. During times of uncertainty, education increases its importance to you and your community.

Thank you for taking the time to explore JCU. We look forward to working with you to create a brighter future that makes a difference.

¹ 2022 Times Higher Education (THE) Impact Rankings. ² 2022 Global Ranking of Academic Subjects. ³ 2022 QS World University Rankings by subject. ⁴ 2023 Good Universities Guide

RESPECT. NOW. ALWAYS.

James Cook University values and celebrates the diversity of our community and is committed to ensuring our learning and working environment is safe and welcoming.

JCU is proud to be part of the Respect. Now. Always. campaign – a national initiative led by Universities Australia to highlight our determination to ensure our students and staff are safe from discrimination and sexual harassment. Further information about the campaign and free services available for students can be found at jcu.edu.au/sew

Our commitment to Australian Aboriginal and Torres Strait Islander peoples

James Cook University is committed to building strong and mutually beneficial partnerships that work towards closing the employment, health and education gap for Australian Aboriginal and Torres Strait Islander peoples.

Our students come from many backgrounds, promoting rich cultural and experiential diversity on campus.

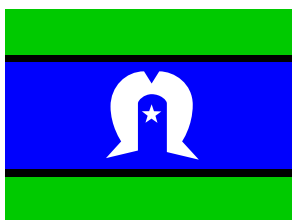

We acknowledge the Australian Aboriginal and Torres Strait Islander peoples as the Traditional Owners of the lands and waters where we operate our business. We honour the unique cultural and spiritual relationship to the land, waters and seas of First Australian peoples and their continuing and rich contribution to James Cook University (JCU) and Australian society.

We also pay respect to Ancestors and Elders past, present and future.

COMING TOGETHER AND RESPECTING DIFFERENCE

JCU acquired this artwork as part of our commitment to implement the Reconciliation Action Plan. The artwork represents JCU's story in an Australian Aboriginal and Torres Strait Islander way:

- Circles in the middle depict JCU as a meeting place
- Outer circles are JCU's linkages to communities through their students who return home to share their new knowledge and understandings
- Different patterns within the hands and arms are the differences between and within Aboriginal, Torres Strait Islander, and multicultural Australia. There are also similarities in the hands and arms used to illustrate us standing together for equity and equality
- The ripple effect in the arms and hands represents our reconciliation journey; starting small, growing bigger and reaching out to touch more and more lives. The effect gathers momentum to develop support and understandings. The circles represent the importance of yarning circles, meeting circles, and communities, in order that we can connect with each other.

“The small-campus environment allows students to fully utilize its advantages, such as highly supportive staff and lecturers who consistently aid students in reaching their objectives. While having clear goals is key to success anywhere, having an experienced team behind you can make all the difference. During my time at JCUB, I sincerely appreciated the faculty members who tirelessly assisted me in pursuing my ambitions.”

Student Resources

**You've
got
this!**

*Going to university is a big transition, and **we're here to help.***

At JCU Brisbane, we have a number of academic and personal support services to ensure your university experience is a happy and healthy one.

You'll have access to enrolment and registration help, language and learning support, and counselling and coaching services as well as resources including computers, textbooks, printing and copying facilities and more.

International Student Support Services

The JCU Brisbane International Student Support Team is here to help with your transition into campus life. Services for international students include:

- Pre-departure information
- Assistance with accommodation
- Overseas health cover
- Student Orientation at the start of each trimester
- Assistance in emergencies including an after hours student hotline
- Free and confidential wellbeing and advocacy services
- Student mentor program
- Career and employment services with Joblinx
- Access to learning resources and advisors
- Regular educational, social and cultural events to help you develop friendships, meet staff and enhance your campus experience

The Resource Centre

The Resource Centre, which includes the Learning Centre and Joblinx, is a direct interface with our students, contributing significantly to an enhanced student experience through positive engagement.

Students are provided ongoing support during their academic journey, enabling the best possible learning experience. Staffed by qualified and experienced advisors and support staff who provide practical advice and strategies to assist students at all levels in all courses.

The Resource Centre is a quiet place to study and allows access to a range of in-house services including:

- Printing and copying
- Scanning facilities
- Easy access to over 2000 general and prescribed texts, reference and fiction books, all available on short term loans
- 24/7 access to online resources
- Access to Windows and MacBook computing devices
- Support for your student login and Wi-Fi access

Enjoy a great space to study and collaborate.

The Student Association

The JCU Brisbane Student Association is a team of student leaders who form a bridge of communication between the students and JCU Brisbane staff. To be a voice and to act on behalf of JCU Brisbane students to ensure that education continues to be accessible and equitable to all.

The Student Association is also very active in bringing students together by:

- Organising social and sporting groups
- Providing extracurricular activities
- Promoting educational, social, cultural, and recreational student activities
- Supporting students through the funding well-being and advocacy services and the student mentor program
- Fostering discussion to help improve all student facilities and services

Student Lounge

The Student Lounge is set over one entire floor and is the best place to hang out on campus! Drop by between classes, on lunch breaks and after hours to enjoy a game of or table tennis, watch TV or have a turn on the video games! The lounge also has a kitchen equipped with fridge, microwave and coffee/hot chocolate making facilities.

Student Mentor Program

This is a volunteer program designed to connect students with student mentors. This network is a great way for new students to find support and encouragement. The program helps students adapt to university life and enhances their Australian study experience.

Accommodation

AMBER

Amber provides top-notch student accommodations near the JCU Brisbane Campus. They offer quality and affordable student accommodation while ensuring their students' safety.

The nearest amber student housing is on Mary Street, a major Brisbane central business district road. The prime location allows students to reach campus quickly with a well-connected transportation network. It also allows students to have a thriving social life as the area hosts a number of excellent restaurants, bars, cafes and shopping complexes.

Their features include:

- Offers a wide selection of accommodations
- 100% Verified Listings on their platform
- Price Match Guarantee. Find a lower price, and they'll match it
- Fast & Easy Bookings with their dedicated platform
- Ensures hassle-free paperwork
- 1-on-1 Expert Assistance for students worldwide

Visit the amber student website to book your accommodation at amberstudent.com/partners/james-cook-university

UNILODGE

UniLodge accommodation offers you the combination of modern facilities and social opportunities, with student housing options designed especially for students to live well, study hard and have fun.

The closest UniLodge option to the JCU Brisbane campus is located in the heart of the city, close to transport links and just a short stroll from the main shopping precinct, Queen Street Mall. It's also near the Brisbane Botanic Gardens and kilometres of riverside walking and cycle paths.

Custom-designed for students, the on-site facilities include:

- A residents' lounge
- An outdoor pool and BBQ entertaining area
- Options for apartments a high floor balcony or air-conditioning
- Card operated laundry area
- Licensed café
- Security team and intercom system

Learn more at www.unilodge.com.au/student-accommodation-brisbane

STUDENT ONE

The Student One residences are located right in the heart of Brisbane's City Centre, only a short 200m or 3 minute walk away from the JCU Brisbane campus to either residence – Student One Wharf Street or Student One Adelaide Street. Did we mention the great choice of shopping and dining outlets inside and around both residences? From a supermarket to coffee shops and a range of food outlets, we've got you covered.

With room for 687 residents, there is a range of living options to meet a variety of requirements and budgets, from single and twin studios, to single rooms in 5-bedroom apartments. Everyone has access to the support of our 24-hour customer service.

Our facilities include:

- Fully furnished and air-conditioned rooms
- Free unlimited high-speed internet
- Communal and breakout spaces for socialising and study
- Media and games rooms with large screens for movies/gaming
- Gym, free bicycles and purpose-built bicycle storage
- Communal kitchen and outdoor BBQ for cooking and entertaining
- 148 vehicle car parks for rent

Learn more at www.studentone.com/jcu

Where you choose to live while studying at JCU Brisbane is an important consideration.

*For various accommodation options you can check out the **Choose Brisbane** website.*

Your career progression specialist

Since 2008, Joblinx has provided James Cook University Brisbane (JCUB) and Sarina Russo Institute (SRI) students with employment support, work experience and internship opportunities as well as workshops and training to enhance their career development and employment prospects.

These services are provided free of charge by highly qualified career counsellors to ensure our students are successful in finding employment after completion of their degree, diploma, training, workshop or individualised career coaching.

Some skills you can gain with Joblinx

Programs

6 steps to employment

Get that job!

"I earned a Bachelor of Information Technology degree from JCU Brisbane and aimed to continue my progress in the IT field. I realised that internships during my studies could be the only way for improving my future job prospects. Joblinx opened fantastic professional opportunities for me and helped me gain the necessary experience. I am grateful for the assistance in finding the perfect opportunity for me. I highly value the support and encouragement I received from Joblinx. They focus on matching students with the ideal job based on their skill sets. I find my Joblinx experience to be very professional and would highly recommend it to JCU Brisbane students."

January, March, May, July, September and November

OVERVIEW

The JCU Brisbane's Bachelor of Commerce (BCom) provides a solid foundation in business skills as a precursor to satisfying the professional requirements necessary for a successful career in accounting and commerce. Accounting is at the core of every organization and aims at ensuring its financial viability.

The JCU Brisbane program is strongly supported by the local accounting profession and has full accreditation with pertinent Australian bodies including:

- Certified Practicing Accountants Australia (CPA)
- Chartered Accountants Australia and New Zealand (CAANZ)
- Association of Chartered Certified Accountants (ACCA)

The course is comprised of 24 subjects involving specialist topics in areas such as financial management, auditing, law of

business organizations, taxation, contemporary issues in accounting, performance management and control. These are complemented by business and elective units so as to provide a comprehensive professional qualification.

COURSE STRUCTURE

The program of 24 subjects is made up of:

- Core (8 subjects)
- Major (9 subjects)
- Electives (7 subjects) from any JCU Brisbane undergraduate program

CORE SUBJECTS

LEVEL 1

"I love accounting and I was looking for a university that focused on the students. Sitting in a lecture theatre with hundreds of other students and listening to one lecturer can be a lot and that's why I chose to study at JCU Brisbane. You get more attention here and you're able to get one-on-one teaching. The teaching staff here are approachable and when you need help, they are always there to provide it. Other universities do not compare to JCU Brisbane."

SUBJECTS

24

INTAKES

January, March, May, July, September and
November

OVERVIEW

This program incorporates pertinent knowledge from a variety of the disciplines which underpin studies of tourism, hospitality and events systems. The introductory business units provide a meaningful foundation to the study of the concepts and principles relating to sustainability, cultures and people.

These themes permeate the food and beverage management, project management, tourism and leisure management, conference and event management aspects of the course which form the basis of operational activities involving the cross-cultural management of people.

This foundation is supplemented by studies relating to innovation in hospitality operations management, revenue and yield management, visitor and crowd behaviour management and destination management and planning. Success in these areas is essential to survive and prosper in the competitive business environments embraced by this degree.

COURSE STRUCTURE

The program of 24 subjects is made up of:

- 20 Required subjects
- 4 Elective subjects in accordance with the course rules

Information Technology

Become a specialist in IT, Management and Business
and be ready for employment opportunities worldwide

Master of Information Technology (MIT) — Business Informatics

CRICOS Course Code: 084823K

STANDARD DURATION

2 Years (6 Trimesters) - Full-time

SUBJECTS

16

INTAKES

January, March, May, July, September and November

OVERVIEW

Business Informatics is a specialist area of IT that combines information technology, management and business.

Advancing your skills and knowledge with our Master of Information Technology (Business Informatics) program will give you the edge on other graduates embarking on a career in

this exciting field. The possibilities for Information Technology (IT) graduates are endless, with employment opportunities available worldwide. IT skills are required in all industries, and our expert staff will teach you the advanced skills needed to keep up with the rapid developments in technology. The program emphasises work-integrated learning and develops employability skills through practical projects and the option of an internship increasing graduate employability.

COURSE STRUCTURE

The MIT (Business Informatics) is comprised of 16 subjects. Students must undertake 4 foundation subjects, 8 compulsory subjects and the choice of 4 optional subjects as per the course rule. Optional subjects comprise of 2 Information Technology or Business subjects from the Information Technology and Business units offered by JCU Brisbane and 2 of any appropriate Level 5 subjects offered at JCU Brisbane as approved by the Campus Director.

FOUNDATION SUBJECTS

CP5631 Internet Fundamentals
CP5633 Database Modelling
CP5638 Web Design and Development
CP5639 Problem Solving and Programming I

MANDATORY SUBJECTS

CP5046 ICT Project 1: Analysis and Design
CP5047 ICT Project 2: Implementation and Commissioning
CP5603 Advanced e-Security
CO5124 Data Analysis and Decision Modelling
CP5310 E-Business Technologies
CP5503 Enterprise Database Systems - Oracle
CP5634 Data Mining
CP5520 Advanced Databases and Application

OPTIONAL SUBJECTS

Select 2 CP OR LB Level 5 subjects
Select any 2 Level 5 subjects

Note: Eligible students holding acknowledged cognate qualifications in Information Technology may seek exemption from the 4 Foundation IT subjects when submitting an application to the MIT program.

This publication is intended as a general guide for prospective international students. All applicants should contact the University to confirm admission requirements, fees and availability of courses. Information is correct at the time of printing. James Cook University reserves the right to alter any course or admission requirement without prior notice.

“The engaging classroom discussions, hands-on projects, and exposure to real-world challenges have expanded my horizons and are deepening my understanding of information technology. Additionally, the support and mentorship provided by faculty members foster a conducive learning atmosphere where I feel empowered to explore, question, and innovate. This nurturing environment is not only enhancing my technical skills but also honing my critical thinking and problem-solving abilities, which are crucial for success in the ever-evolving tech industry.”

SUBJECTS

14

INTAKES

January, March, May, July, September and November

OVERVIEW

This course focuses on professional engineers and other technical professionals seeking a higher qualification which develops their project management and allied business management skills.

This program will provide an ideal opportunity for these professionals to advance their capabilities to successfully plan, execute, and control complex innovative projects.

Developing and managing sustainable projects is critical to successful completion and continued operation of engineering endeavours. Engineering managers, as managers of projects, technology, infrastructure, and people, need to be aware

of, and actively manage complex projects for social, environmental, and cultural sustainability in addition to being economically sustainable if they are to be successfully delivered on time, on budget, and in line with community expectations.

The Master of Engineering Management (MEM) degree places a strong emphasis on Strategy, Risk and Asset Management in complex settings. It will enable learners to manage projects at new scales and levels of complexity, while satisfying PMI's Project Management Professional standards.

Participants will complete four core subjects in Project Management that provide the skills and tools in planning linear projects, addressing risks in complex projects, developing a systematic process for asset management and quality management.

The aims and objectives of the Master of Engineering Management degree are aligned with the AQF learning outcomes for Level 9, Master's Degree (Coursework).

COURSE STRUCTURE

CO5122 Accounting for Corporations
CO5123 Advanced Issues in Accounting
CO5140 Information Analysis and Systems
LB5229 Economics for a Sustainable World
LB5235 Applied Research Project

CAREER OPTIONS

- Assistant Accountant
- Auditor/Risk Accountant
- Financial Analyst
- Bookkeeper
- Financial Accountant
- Taxation Accountant

“My experience pursuing my studies at JCU Brisbane has been truly amazing. The city’s sunny and warm weather brings a cheerful ambiance to my daily life and keeps me inspired and focused on my studies. One of the highlights of my educational journey has been the opportunity to participate in a variety of group activities with students from different cultural backgrounds. It’s been an enriching experience, allowing me to learn from diverse perspectives and make meaningful friendships along the way. I am grateful for the incredible experiences I’ve gained during my time here, and I’m confident that the skills and knowledge I’ve acquired will serve me well in my future endeavours.”

Chador Wangmo
BHUTAN

Master of Professional Accounting/Master of Business Administration (MPA/MBA)

CRICOS Course Code: 055156C

- Financial Analyst
- Bookkeeper
- Financial Accountant
- Taxation Accountant

This publication is intended as a general guide for prospective international students. All applicants should contact the University to confirm admission requirements, fees and availability of courses. Information is correct at the time of printing. James Cook University reserves the right to alter any course or admission requirement without prior notice.

"I enrolled in the MPA/MBA course to gain technical knowledge of the Australian accounting and tax laws. The course structure coupled with the university's supportive and experienced academic staff not only improved my technical capabilities but also enhanced my soft skills of team work and time managements required in today's professional environment. The Joblinx program assisted me in gaining practical experience in the industry I was studying in during my course. This made me apply my theoretical knowledge in the real world, in real projects. Along with that it also gave me a competitive edge over others while entering the workforce as a new graduate."

| Master of Professional Accounting / Master of Business Administration | 16 | \$4,525.00 | \$36,200.00 | \$72,400.00 |

¹ 2024 fees are based on 8 subjects per year.

² The fees listed are based on the annual tuition fee for students commencing in 2024. Tuition fees will increase each year.

³ The fee for a subject is determined by its credit point value and the course in which you are enrolled.

To calculate an approximate total course fee, multiply the total credit points for your course by the fee per credit point, noting that:

- The displayed fees are only for the calendar year indicated in the table. Fees are subject to annual increase. You will be charged the fee for the year you enrol in the subject, not for the year you commenced your course.
- If you enrol in more subjects than are required, including when you need to repeat a subject already taken, your total course fee may be higher than expected.

See JCU Brisbane's Tuition Fee Policy for International Students for the most up to date information on fee increases.

All fees are in Australian dollars. All care has been taken to ensure information is correct at the time of publication (September 2024).

“I believe that my course at JCUB not only provided me with the knowledge and skills related to my field but also helped me to enhance my soft skills and gave me an edge to achieve my career goals by preparing me for the experiences and challenges faced at the workplace.”

Important Information

English Language Entry Requirements

Students are required to demonstrate English language proficiency by achieving a score in a test such as Academic IELTS, TOEFL or Pearson (PTE Academic).

Other English language tests may be accepted as proof of English language proficiency. Some qualifications may satisfy our English language requirements; please contact Admissions at admissions@jcub.edu.au

| PROGRAM | IELTS | PEARSON (PTEAcademic) | TOEFL ibt | TOEFL Paper | Cambridge (CP1Advanced/CP2 Proficiency) | CEFR Level |
|------------------------------|------------------------------------|--------------------------------------|--|---|--|------------|
| Postgraduate (Masters) | 6.5 (no sub score below 6.0) | 58 (no component less than 54) | 86 (no component less than 21) | 570 (minimum test of written English score of 4.5) | 176 (no component less than 169) | B2/C1 |
| Undergraduate (Bachelors) | 6.0 (no sub score below 6.0) | 52 (no component less than 52) | 74 (minimum writ- ing score of 18) | 550 (minimum test of written English score of 4.5) | 169 (no component less than 169) | B2/C1 |

ENGLISH LANGUAGE PATHWAY TO JCU BRISBANE

For students who may need an English language pathway to their JCU Brisbane course, our partner English language institute, Sarina Russo Institute (SRI), is your perfect pathway. SRI English is conveniently located on the same campus as our JCU Brisbane campus.

Our friendly student support services team is available to help you. Our Joblinx team can help you find part time employment. You can relax with your classmates in the student lounge and the games room, and check-out the Student Activity calendar to help you plan your recreation time as well as meet new friends on campus. We believe having a fun student experience is important!

Bridging English Entry Program (BEEP) CRICOS Code: 088422F

BEEP is a 10-week intensive English course designed to build your academic skills as you prepare to pathway to your chosen post graduate university degree studies. There is a focus on building reading, writing, listening and speaking skills. Students will study essential academic skills including referencing, critical thinking, oral presentations and time management skills.

Unipath English 1 CRICOS Code: 077848D

Unipath English 2 CRICOS Code: 077849C

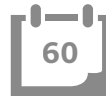

This is the perfect pathway for students seeking a pathway from English into a diploma and undergraduate level course. These intensive courses focus on developing the academic language skills required to communicate and study in academic contexts, including listening, reading and written contexts.

Intensive General English CRICOS Code: 073562F

This intensive English course is designed to help students develop their confidence in using English for general purposes. Students will be able to improve their English proficiency across Reading, Writing, Listening and Speaking. There is a strong focus on grammar, vocabulary and pronunciation, which will help learners develop their fluency.

For more information about the courses offered by our English partner, please visit srienglish.edu.au

How to Apply

You can apply to study at JCU Brisbane either through an education agent or directly with the university. We have several in-country managers to assist you with any questions you may have. Whichever method you choose, your application must be accompanied by supporting documents so we can review your eligibility.

Note: Not all applicants are eligible to apply directly with the university and are required to apply through one of our JCU Brisbane registered education agents. A current list of our registered agents can be found on our website: <https://www.jcu.edu.au/brisbane/courses/how-to-apply>

Make certain you allow sufficient time for all of the following steps to be completed to ensure you have time to attend registration and orientation before classes start. If your application has arrived too late for you to commence study in your preferred trimester, your application will be assessed for entry into the next intake.

Step 1

Select your preferred course, major and intake date (take note of duration and cost). Check the Entry Requirements to see if you are eligible and qualify.

Step 3

Your application will be assessed based on the academic and English language entry requirements for your preferred degree as well as genuine temporary entrant requirements.

Step 6

An electronic Confirmation of Enrolment (eCoE) will be issued to you or your education agent. This is the document that you require to apply for an Australian student visa.

Step 2

Submit a fully completed application form (download it from the QR code below). Please make sure to use your full legal name as it appears on your passport.

Submit your academic transcripts and certificates from your senior school studies and any further studies you have undertaken, evidence of English language proficiency and a copy of your passport to JCU Brisbane Admissions or your education agent.

If documentation is in a language other than English, an official English translation must be included (translated by the awarding institution or an official translating service). Your academic transcripts must be accompanied by the grading scale used at the institution/s where you have undertaken your studies.

Please be aware that while scanned copies of certificates and transcripts can be used during the assessment process, direct applicants are required to send original certified copies of supporting documents to JCU Brisbane by courier or post, prior to accepting a Letter of Offer.

Step 4

If your application is successful, a Letter of Offer will be emailed to you or your education agent. The Letter of Offer includes:

- Name and duration of the degree into which you have been accepted
- Any Advanced Standing you have been awarded for previous study
- Tuition fees and other costs
- Terms and conditions of enrolment

Step 7

Use your eCoE to obtain a student visa from your nearest Embassy or Consulate.

NOTE: Visa applications can take up to three months or more to process depending on your citizenship and the country from which you are applying.

Step 5

To accept your offer, you need to:

- Read the entire offer letter carefully
- Meet any enrolment conditions stated in the offer letter
- Sign every page of the offer letter acknowledging you have read and understood the information on each page; complete, sign and date the Terms of Agreement declaration and the Acceptance and Payment Agreement
- Make the required advance deposit
- Return the completed and signed offer letter to JCU Brisbane Admissions or your education agent

Step 8

Once you have a student visa, you are ready to begin your study.

Please attach certified copies of transcripts of all academic records. (A certified copy means a stamped photocopy signed by a public notary or institution representative or authorised JCU agent as being a true and accurate record of the original document). All documents must be translated into English by the issuing institution or by an official translating service.

CREDIT FOR PREVIOUS STUDY

Are you applying for credit for previous studies? ☐ Yes ☐ No

If yes, please attach the course syllabus for each of the subjects for which you wish to seek credit. If your educational institution has an articulation agreement with JCU, you are not required to submit this documentation.

FINANCIAL SPONSOR

☐ I am being sponsored by (state name of organisation) _____ (attach official documentary evidence.) ☐ Yes ☐ No

DECLARATION (all applicants must complete)

I declare that the information I have supplied on the application form is, to the best of my knowledge, complete and correct. I acknowledge that my application for admission is subject to acceptance by JCU which has power to impose conditions. I further acknowledge that in the event my application for admission as a student at JCU is accepted, and in consideration of provision of educational resources by JCU, I will be bound by the provisions of JCU's relevant student handbooks, statutes, rules and policies as are in force from time to time, and will be subject to the lawful instructions of officers of JCU.

SIMPLIFIED STUDENT VISA FRAMEWORK

I make this declaration in relation to my application for my preferred course/s at James Cook University (JCU). I understand that the university will rely on this declaration in relation to any offer of enrolment in the course which is made to me. I understand the university will rely on this declaration in relation to any offer of enrolment in the course which is made to me.

I declare that:

- I am a Genuine Temporary Entrant and a Genuine Student*;
- Studying the course is my primary purpose for coming to Australia;
- I understand that if I am granted an Australian student visa, I will have to comply with the conditions on that visa;
- I believe that I am academically qualified for the course I have applied for and have, or will have, the English proficiency level required to commence the course;
- I have calculated the cost of my course, am aware of the current exchange rate between the currency of my home country and the Australian dollar and understand that the exchange rate will vary from time to time;
- I have genuine access to the total funds required, while in Australia, to cover all tuition fees, travel (including return airfare), living costs and overseas student health cover for myself and my dependants (if any) for the duration of the course;
- If I have ever been refused a visa for entry into Australia, I have advised JCU and provided a copy of the visa refusal notification from the Department of Home Affairs (DHA) and any other relevant documentation; and
- If I have ever been refused a visa for entry into another country, I have advised JCU of the country and provided relevant documentation.

* For the definition of Genuine Temporary Entrant and details of other requirements under SSVF visit:
<https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500/genuine-temporary-entrant>

PRIVACY

Personal information supplied on this form will be handled in accordance with JCU's Privacy Policy (available at www.jcu.edu.au).

I acknowledge that this information may be provided to other areas of JCU and to third parties for administrative and legislative purposes (under the **ESOS Act 2000** and the National Code), including but not limited to the JCU Student Association; JCU's educational representatives and business partners; Australian Commonwealth and State agencies; other academic institutions to verify my previous qualifications; the TPS Director of the Tuition Protection Service; and my Overseas Student Health Cover (OSHC) provider.

Where we are

James Cook University has additional study locations in Cairns, Townsville and Singapore.

CAIRNS

JCU Cairns has modern and innovative teaching facilities in a spectacular natural setting. JCU Cairns, Smithfield, is at the foot of rainforest-covered mountains, near the popular northern beaches suburbs and 15 kilometres (9 miles) from the city centre. Over 4,000 Australian and international students are enrolled at JCU Cairns. Students enjoy small class sizes, providing opportunities to connect with JCU's leading lecturers. JCU graduates are highly regarded for the knowledge and skills developed through applied learning and professional placement programs.

New and modern on-campus accommodation is available at JCU Cairns, Smithfield. Opened in 2018, the John Grey Hall provides a range of apartment-style living options including studio apartments and ensuite rooms. The JCU Cairns, City campus is in the heart of the Central Business District. The innovative campus was opened in 2017 and provides a range of facilities and services to students and staff, as well as being a hub for business and community organisations.

TOWNSVILLE

JCU Townsville, Douglas, boasts impressive teaching and research facilities and vibrant student life. Located 13 kilometres (8 miles) from the city centre, JCU Townsville, Douglas has over 13,000 Australian and international students.

Students can access a range of learning facilities including The Science Place, an \$80 million teaching, research education and research activity development with laboratories, collaborative lecture theatres and peer-to-peer learning spaces. The campus also has a modern medical precinct, pharmacy, childcare and sporting amenities. JCU Townsville, City Campus offers a range of innovative, flexible study, learning and teaching spaces. Opened in 2015, the campus features a 'moot court' and e-court facilities to provide practical training for law students

SINGAPORE

JCU Singapore offers a unique educational experience in one of the most vibrant cities in the world. Opened in 2003, JCU Singapore offers a range of courses including Accounting, Business, Information Technology, Tourism and Hospitality. JCU has been awarded the EduTrust Star, which is the highest level of accreditation in Singapore for private education providers. This is only awarded to those institutions that can display the highest possible standard in their academic programs, student experience and in the manner in which they operate. JCU was the first private education institution to attain this accreditation.

JCU has also been awarded the Singapore Quality Class STAR (SQC STAR). The SQC STAR recognises SQC organisations that have made further improvement in their business excellence journey.
