

Instructions on How to Submit an Abstract for FUTORES II

Abstract submission closes 31st January 2017.

How to Submit an Abstract

- **Use the Word template provided**
- **Upload your abstract as a Word document, using the correct file name for the symposium and the upload link**

[Abstract Template](#)

The abstract Word template has separate text boxes for (1) title, (2) authors, (3) affiliation, and (4) main text. The text boxes have fixed font type and font size, please do not change these.

The abstract should have a maximum 250 words and fit on one page including figures. Colour or black & white figures can be inserted in main text. Figure captions should be in italics in Verdana 9, see example below:

Fig. 1 Figure captions in italics Verdana 9

Paragraphs should be separated by blank lines, justified left.

Please upload the abstract as a word document file, using your surname and the abbreviated relevant symposium name (see table below), separated by an underscore, as the file name:

Symposium	File name abstract
New Insights in Mineral Understanding	Surname_Insights.docx
Mineral Exploration: New Technologies and Approaches	Surname_Technologies.docx
Tectonics and Metallogenesis	Surname_Tectonics.docx
Basins and Energy	Surname_Basins.docx
Future Trends in the Minerals Industry	Surname_Trends.docx
