**Note definition of plagiarism and self plagiarism in Learning, Teaching and Assessment Policy:**

**Plagiarism:** reproduction without acknowledgement of another person's words, work or expressed thoughts from any source. The definition of words, works and thoughts includes such representations as diagrams, drawings, sketches, pictures, objects, text, lecture hand-outs, artistic works and other such expressions of ideas, but hereafter the term 'work' is used to embrace all of these. Plagiarism comprises not only direct copying of aspects of another person's work but also the reproduction, even if slightly rewritten or adapted, of someone else's ideas. In both cases, someone else's work is presented as the student's own. Under the Australian *Copyright Act 1968* a copyright owner can take legal action in the courts against a party who has infringed their copyright.

**Self Plagiarism:** the use of one's own previously assessed material being resubmitted without acknowledgement or citing of the original.
