

**PROF. MARHTA MACLEOD, PhD, RN**

Martha MacLeod is Professor in the Schools of Nursing and Health Sciences at the University of Northern British Columbia where she is the Northern Health – UNBC Knowledge Mobilization Research Chair and Co-Leads UNBC's Health Research Institute. Martha takes a qualitative, partnered approach to exploring knowledge creation and its mobilization in health services, particularly in rural, remote, and northern settings. She has led two national studies on [Nursing Practice in Rural and Remote Canada](#). Martha engages with researchers, practitioners, health service leaders, and policy-makers in advancing regional, national, and international multidisciplinary research and knowledge translation networks.
