

Intro2Uni

29-30
November
2021

Time: 9.00am – 2.45pm

Venue: Cairns - D3.063 (The Cairns Institute)

Townsville - 134.130 (Education Central)

Intro2Uni is a free, two day preparation course designed to assist people who are considering enrolling at James Cook University (JCU), but feel they need to acquire some additional skills and confidence beforehand. The course is ideal for those who wish to find out more about university studies before committing themselves.

Intro2Uni provides a friendly and supportive environment to receive information and develop skills which are essential for success in university studies. The course covers topics such as academic writing, study strategies, time management, course and career decision making, costs and financial support, and how to balance life and uni.

Intro2Uni is open to people who have the potential to meet the entry requirements for JCU. Applicants must be an Australian citizen, permanent resident or holder of a humanitarian visa. Applicants should also note that the completion of Intro2Uni does not guarantee entry into a course at JCU.
