

■ Job Description

Job title: Casual Paid Work, Corals Workshop Facilitator for High School Students

About Gateway Learning

We are organizers of English Summer Educational Camps with office in Singapore and Australia (<http://www.gateway-education.org/>). We are organizing our Young Leaders English Summer Camp in Sydney in January 2017 for ESL high school students aged 12-18 from China, Korea, Japan and other countries. We are currently recruiting a native English speaker who will facilitate a Corals Workshop for our students.

The Coral Workshop is tentatively scheduled on 10 January 2017. The workshop date can be adjusted to suit facilitator's availability.

Key Responsibilities & Duties

- Interpret and implement Coral Workshop curriculum provided by Gateway Learning for a class of 15-40 ESL students aged 12-18 of varying English proficiency from beginner to advanced intermediate levels.
- Contribute additional content to the provided workshop curriculum to showcase an educational and fun workshop on corals fun fact
- Deliver a 3-hour workshop with in-class learning and outdoor marine-themed games to further facilitate learning and raise awareness on corals protection among learners
- Create and maintain an energetic and engaging learning environment during the workshop.

Skills and Qualifications

- Native English speakers with an energetic personality and friendly attitude
- Demonstrated passion for marine life and marine protection. Engaging and fun presentation style
- Having relevant qualification in Marine Studies, Oceanography, Environmental Studies and other related fields. Students who are pursuing a Master and PhD in those disciplines are strongly encouraged to apply.

- Previous experience in leading student field trips and conducting marine workshops is an advantage.

Remuneration

Remuneration will commensurate with candidate's qualifications and experience.

If interested please send CVs to Gateway Learning at info@gateway-education.org.
