

JCU Training Requirements Declaration QLD Health (iLearn) OH&S Modules

Student Name	
Discipline	
Year Level	

Step 1:

Complete each training module listed below. Access the iLearn modules via the link found on the [Professional Experience Placement Website](#).

Step 2:

Print copies of training certificates (where available) and file for presentation at placement.
(Please do not email the certificates to the placement team)

Step 3:

Complete this *Requirements Declaration* and return the form by using the submit button below or emailing it to dthmplacements@jcu.edu.au.

Note: if iLearn does not allow you to renew your online training, please enter date training last completed (within last 12 months), sign, and submit form. Ensure that you renew the training before it expires.
