ADDITIONAL REQUIREMENTS

This course is conditionally accredited by the Australian Psychology Accreditation Council (APAC) until there are graduates and at that time it will receive full accreditation.

Graduates of this course, who wish to become fully registered as psychologists, must complete, in addition to this course, two years of supervised practice in the field; or an accredited masters degree (e.g. Master of Psychology) with one further year of supervised practice.

A candidate admitted to the degree of Bachelor of Psychology (Honours) at this university will be permitted to continue to the fourth year of study if that candidate has obtained a minimum of a Credit average (65%) across PY2103, PY2107 and a minimum of a Distinction average (75%) across 15 CPs of level 3 PY subjects, including PY3101.

The information provided is designed to provide helpful information on your study plan. Changes to subject information after this time may affect your study plan. Please refer to the [enrolment resources](#) for up to date information.

Graduates of this course, who wish to become fully registered as psychologists, must complete two years of supervised practice in the field or an accredited Master's degree (e.g. Master of Psychology (Clinical)) with one further year of supervised practice.
