

AV Equipment Guide

Room concept

Furniture in this peer-to-peer space is flexible and can be configured to suit. Groups of six can collaborate at each of the four work group tables. Each table is fitted with a desktop PC (mounted at the rear of the flat panel display) and cables (VGA, 3.5mm audio and HDMI) to connect a laptop to the flat panel display. The desktop PC or laptop can be pushed to the flat panel by pressing the corresponding button on the 8-button control.

System Components

The following equipment is connected to the AV system:

- 4x flat panel displays
- 4x Desktop PC
- HDMI, VGA and 3.5mm audio cables – To connect Analog & Digital laptops

Log in to desktop PC

Use the JCU issued username and password

Student Laptop

Connect the laptop to the AV system using the appropriate cable and set the laptop to duplicate its display.
