## 2022 Domestic Tuition Fee Schedule

Most domestic undergraduate students are Commonwealth supported students. A small number of domestic undergraduate students are tuition fee paying students. Information about domestic undergraduate tuition fees is provided below.

# 1. Students who begin their course as an international tuition fee-paying student and whose residency status changes (Table A):

Students who are admitted to the **Bachelor of Medicine/Bachelor of Surgery**, **Bachelor of Dental Surgery** or the **Bachelor of Veterinary Science** as an international tuition fee student and they change their residency status during their course of study, will then be enrolled as a domestic tuition fee student and pay a fee equivalent to the international tuition fee (Table A) for a total of 48 credit points, after which the student may apply for a Commonwealth supported place.

Domestic tuition fees are charged according to the subject discipline and the number of credit points for each subject. The 2021 International tuition fees for the Bachelor of Medicine/Bachelor of Surgery, Bachelor of Dental Surgery and the Bachelor of Veterinary Science are shown below.

To calculate equivalent international tuition fees:

Prefix: Credit Point Value

MD3000:03 (Medicine subject worth '03' or three credit points)

Eg: MD3000 = \$2,465.00 (fees per credit point) x 3 credit point value = \$7,395.00

Table A - International Tuition Fee Equivalent

|                    | Fees per<br>full-time                 |
|--------------------|---------------------------------------|
|                    | year of                               |
| Discipline         | Fees per 3 credit point subject study |
| Medicine / Surgery | \$7,395 \$59,160                      |
| Dental Surgery     | \$8,585 \$68,680                      |
| Veterinary Science | \$7,565 \$60,520                      |

#### 3. 2022 Domestic Tuition Fees (Table B):

Domestic tuition fees are charged according to discipline and the number of credit points for each subject.

This fee schedule is required when:

- A student is enrolled as a domestic undergraduate student in an award course
- A student has lost their Commonwealth Supported Place per the Job Ready Graduate Legislation (Low Completion Rate)
