

SUSTAINABLE INFRASTRUCTURE DEVELOPMENT IN THE TROPICS

Challenges & opportunities in the Asia-Pacific region

15 December 2016, 10.00 am – 1.30pm (includes networking lunch)
United Nations Conference Centre,
Rajadamnern Nok Avenue, Bangkok, Thailand

State of the Tropics is a global alliance of leading research institutions providing in-depth coverage and analysis of key social, economic and environmental issues affecting the tropical world. With the support of the Australian Government's Australia-ASEAN Council this forum is part of a series of events exploring key development issues in the Asia-Pacific region and its significance to the tropics and beyond.

Program

- 10.00am Registration
- 10.30am Delegates seated in UNCC Theatre
- 10.35am Welcome and introductory remarks - Professor Sansanee Chayaroj and Professor Marcus Lane
- Speakers:**
Ms Octavia Borthwick, Deputy Head of Mission, Australian Embassy, Thailand
Ms Gabrielle Costigan, Chief Executive Officer, Linfox Asia
Associate Professor Sooksan Kantabutra, Associate Dean for Research, College of Management, Mahidol University
