Terms and Conditions

The information provided above is true and correct.

All accepted presenters will be required to register and make payment. A discounted early bird registration is available and closes on Friday 25th May 2018. By submitting your abstract you are confirming your intention to register and attend the 9th Biennial 'Are You Remotely Interested' Conference 2018: Realising Remote Possibilities - 20 years on and you will be issued with a Tax Invoice.

Accepted abstracts/presentations provide consent for James Cook University, Mount Isa Centre for Rural and Remote Health to reproduce the abstract/presentation in conference material and proceedings, including but not limited to, website, publications, advertising/promotion, careers and employment, email promotion, social media and alumni.

All abstracts must be original work. The presenter/s and/or abstract submitter is responsible for the accuracy of the abstract.

All submissions must be completed electronically via the provided Abstract Cover Sheet and Abstract Form.

Media Policy: Photographs, video footage, web streaming, podcasts and social media will occur throughout the conference. This media may be used by James Cook University, Mount Isa Centre for Rural and Remote Health, for publications, advertising/promotion, careers and employment, email promotion, social media and alumni. I understand that the media will be stored securely and that the use of the images does not give me any right to request payment.

I have attached a presenter's profile photo; and
I read and accept the terms and conditions of the abstract submission

YES
