The information in the study planner is current at the time of creation may be subject to future change.

Attention International Student visa holders: To remain compliant with your enrolments requirements as a Student visa holder you are required to enrol in at least one On-Campus, Multi-Modal or WIL subject offering in each compulsory study period and you cannot enrol in more than one third (33%) of your total course load through online or distance learning. To complete your course within your CoE duration students must maintain sufficient subject enrolment.

If there are only Online subject offerings for you to select in a compulsory study period, contact enrolments@jcu.edu.au urgently for enrolment advice.

Please note: If you are not confident in your foundational skills/knowledge of programming languages like Python, please take CP5634 in your second year (2026). Instead, it is strongly recommended that you take CP5639 (as one of the 3 credit points of any level 5 CP Subjects required for the course) in TR1 2025.
