

**College of Business, Law and Governance
2019 Hurdle Subject List by Degree**

All subjects:

- Achieve an overall percentage of 50% or more;
- Submit a credible attempt at all assessment items within this subject. Students who have completed less than 100% of the assessment will be subject to review by the College Assessment Committee which could result in an 'X' grade (Fail (did not sit for exam/s or did not complete at least 80% of assessment requirements or deferred exam not granted))
- Demonstrate regular attendance and engagement with the content of this subject in accordance with student participation requirements as outlined above, including but not limited to any mandatory face to face attendance or online session participatory attendance.

Hurdle subjects:

In order to pass a Hurdle subject, as well as achieving the above-listed three dot points, you must also:

- **Obtain an average of at least 50% over all supervised/invigilated individual assessment components or the nominated task within the subject**
