STUDENT DECLARATION

I understand and agree that while on exchange, I must study what is considered to be a "full-time load" at the host institution. I also understand that it is my responsibility to obtain approval from my College if any changes are made to the subjects listed and approved on this form. If I withdraw from any course I will advise TES.enrolments@jcu.edu.au.

Student Signature		Date		How do I add an electronic signature in a PDF?
