

JCU Citation for Sustained Commitment to Enhancing Diversity, Equity, and Inclusion

Application Guidelines

JAMES COOK
UNIVERSITY
AUSTRALIA

For over 50 years, James Cook University (JCU) has been dedicated to serving regional and remote communities through providing study experiences that are exciting, challenging, and rewarding, and that help graduates access the education and experience they need to thrive in the global workforce.

JCU is devoted to the success and wellbeing of our students through commitment to a set of core values that define what we stand for and guide the way we behave and work together. JCU values authenticity, excellence, integrity, and respect in everything we do. Furthermore, we are committed to excellence, equity, and inclusion. As noted in the JCU Statement of Strategic Intent (JCU, 2019), we embrace “the diversity of the communities we serve in two countries” and “we are enriched by and celebrate our communities’ diversity”.

JCU recognises outstanding practice in teaching and scholarship that adheres to these values in many different ways. The JCU Citation for Sustained Commitment to Enhancing Diversity, Equity, and Inclusion is one such example. This award recognises and rewards the sustained contributions of individuals or teams to the development of initiatives or programs that address the University’s strategic goals around diversity and inclusion and/or have made a significant contribution in supporting staff or students overcome such barriers.

This award acknowledges those who have demonstrated a sustained commitment to excellence by providing leadership to advance equitable access to education; address the needs of diverse populations of northern Queensland, northern Australia and the Tropics through community engagement; or foster equality through rigorous scholarly research.

Aims

In 2024, JCU will award one (1) Citation for Sustained Commitment to Enhancing Diversity, Equity, and Inclusion. These awards recognise and reward the diverse contributions that individuals and teams make to enhance student learning outcomes and encourage continued excellence in learning and teaching.

The winner of this award will be chosen by a panel of university teaching and learning stakeholders and one (1) citation valued at \$2,500 will be awarded across JCU. The winner will be formally announced on Thursday, 24 October 2024, at the Celebrating Excellence in Learning & Teaching at JCU: Teaching Excellence Awards.

Eligibility

Nomination is open to academic and professional staff across JCUA and JCUS who are appointed in full-time or fractional, continuing, contract, or sessional positions. Nominees must be employed by JCU at the time of nomination. *All nominations must relate specifically to contributions to student learning in higher education.*

Both individuals and teams are encouraged to nominate. Teams may be of any size; however, if a team is larger than five members, a team name must be provided, and consideration given to the percentage contribution of each team member. *Team nominations can only include members with a contribution of 10 per cent or higher.*

Please note that nominee(s) may only lead one nomination in any given year.

Early Career

Nominees with no more than five years' cumulative experience teaching in a higher education institution may be considered in the Early Career category. The five years can be non-sequential. This includes all tutoring, marking, and teaching, either fulltime, fractional, or sessional. Nominees must indicate their Early Career status as part of their application. For team nominations, the Early Career status will only apply if the lead nominee meets the Early Career category, and if their contribution to the nomination is at least 50%.

Eligibility of previous recipients of Awards or Citations

Recipients of JCU Individual Citations are not eligible to nominate again for an individual award for five years (i.e., if a recipient wins in 2019, they are not eligible to reapply until 2024), but they may apply for a different award category. Previous recipients of Individual Citations are eligible to nominate again within five years *only* if they are a member of a team nomination and are not the lead nominee. Nominees who were unsuccessful in previous years are also eligible to re-apply.

Only nominations that have been supported and signed by the College ADLT, the College Dean, and the Divisional DVC will be accepted.

Accountability

Citation winners will be invited to join the Community of Learning and Teaching Excellence and are expected to share their good practices with the learning and teaching communities both within their College/Division and across the wider JCU community. Winners will play a crucial role in disseminating good practice, providing support, and participating in peer review processes for future nominees, including the use of their winning Citations submissions as exemplars for future nominees.

Winners may be required to contribute to a showcase video production sharing their outstanding practice.
