

**JCU and IRU Collaborative Master Class:
*Employability Enhancing the Curriculum***

4 September 2017 (1pm-4pm) - 134.010 (TSV), D3.063 (CNS)

This collaborative master class on employability aims to profile the national and regional agendas on this topic. Associate Professor Jess Vanderlelie will be the key note speaker and is an Innovative Research Universities (IRU) Vice Chancellors' Fellow, who is currently leading a suite of national projects on employability and graduate success. The masterclass will also include a series of JCU innovation snapshots, as well as an industry panel focused on current and future work skills for our graduates.

- 13:00** Official Welcome
- 13:10** National Strategic Employability Collaboration and Embedding Employability in the Curriculum
- 14:00** JCU Innovation Snapshots
- 15:00** Afternoon Tea
- 15:15** Industry Panel: Skills for Now and the Future
- 16:00** Finish
