Ready today for tomorrow

Experience the benefits of a masters degree and advance your career. Students at the Townsville campus have the option to major in Conflict Management and Resolution.

Through your Conflict Management major, gain the knowledge and practical skills to analyse, manage and resolve conflicts in a range of workplace settings. Learn from leading industry practitioners and engage with genuine conflict scenarios through JCU's partnership with the Dispute Resolution Branch (DRB).

You will gain sought-after specialist knowledge and skills that will set you up for real-world success.

Be exposed to a broad range of disciplines, learn from leading business experts, and benefit from highly-influential networking.

Fast track your business career. JCU's Master of Business Administration - Master of Conflict Management graduates are equipped with the business and management skills to lead innovative and sustainable change.

“MBA is a wide-ranging and professional course, and the knowledge and skills gained can be applied to diverse global businesses. But the most important part of the MBA is the focus on critical thinking, which has given me the tools to keep learning throughout my whole career. Studying at JCU also enabled me to learn more about the regional development situation, which gave me the opportunity to target the best position to start my career.”

Weiqing (Jacky) Ni

MASTER OF BUSINESS ADMINISTRATION ALUMNI

“Studying an MBA is a fulfilling and important step for managers aspiring to advance their careers in a competitive labour market or promote their own businesses. The investment in an MBA allows for development of management skills across the breadth of business related areas, such as people, marketing, financials, operations, innovation, entrepreneurship, and change. Our students engage in learning that builds critical thinking, problem solving and collaboration. With four campuses across two countries, students explore the latest in business trends and management practices and experience exposure to global professional networks.”

Associate Professor Josephine Pryce
COURSE COORDINATOR

Career Opportunities

JCU Master of Business Administration graduates have outstanding leadership skills and are sought-after in a wide range of industries.

Graduates pursue careers in various areas including economics, finance, human resource management, marketing, accounting, business law, and information technology.

You could work as a management consultant, marketing manager, market research analyst, investment banker, operations manager, financial advisor, conflict resolution specialist, mediator, arbitrator, or conciliator.

Graduates who qualify with a major in Conflict Management and Resolution may be eligible for membership with the Australian National Mediator Accreditation System and Conflict Coaching International.

Postgraduate coursework applications

Apply directly to JCU, either by a form you download, complete and return, or by using the [Online Application Portal](#).

Your application must reach us before the deadline for your course.
your course.

ENTRY REQUIREMENTS

Postgraduate courses will usually require completion of an appropriate undergraduate degree for entry. You'll need to include certified copies of qualifications and academic records with your application. For some programs, appropriate work experience or equivalent qualifications will be considered.
