- Start Dates: February, July
- Duration: 3 years full-time, part-time available
- ATAR: 69.35
- Prerequisites: English

Please visit the handbook for a detailed outline of the course structure. Note: Information is for domestic students only.
Master the Human Mind

Are you eager to learn how the science of human behaviour and how the study of the mind can shape our world for good? With a Bachelor of Psychological Science from JCU, you will be a strong critical thinker and come to understand how to improve the quality of life of others.

Learn from lecturers committed to student success and build a strong theoretical foundation. Throughout your degree, learn the theory and how it applies in practice. You will develop the research skills you need to make practical use of your knowledge.

Become a skilled analytical thinker, a master of modern scientific research methods, and an innovative problem solver.

With access to JCU’s world-class research facilities, develop your insight into how major theories and concepts of psychology have practical application to the human condition.
"Whether you are interested in research or becoming a clinical psychologist, a Bachelor of Psychological Science at JCU provides the perfect foundation for both fields. I liked that I could learn about all areas of psychology but also pick subjects that interested me the most. Psychology is a broad discipline, but at JCU you can tailor the degree to fit your interests."

Mitchell Scovell
BACHELOR OF PSYCHOLOGICAL SCIENCE
Career Opportunities

JCU Psychological Science graduates are sought-after professionals who excel in their chosen fields.

Graduates pursue careers in areas including private practice, academic and applied research settings, counselling services, law courts, police and defence forces, prisons, hospitals, and schools.

With further study, you could find employment as a clinical psychologist, counselling psychologist, educational psychologist, forensic psychologist, occupational psychologist, sport and exercise psychologist, or psychotherapist.

“Psychology at JCU is based in a small and friendly department where staff can get to know our students and offer the kinds of the support not found in other larger departments. I like working at JCU as it is a truly world-class university that produces research that makes a real difference to people’s lives. A bonus is that the JCU Townsville campus, where I work, is located in a beautiful part of the world.”

Dr Craig Thorley
SENIOR LECTURER IN PSYCHOLOGY
Study and live in some of the most interesting places in the world. Townsville is on the doorstep of the Great Barrier Reef, magnificent rainforests, the savannah region and Outback Australia.

Living on-campus is a great way to make the most of your time at JCU. With five different accommodation options at JCU Townsville, housing over 1,200 students, living on-campus is a great place to make new friends and immerse yourself into the JCU culture. All rooms at our on-campus residences are single board, with a single bed, study desk, chair, fan, air-conditioning and Wi-Fi. Each residence is different in regards to style of living, culture and atmosphere. There are options for fully catered or self-catered housing. Find out more at jcu.edu.au/accommodation
