**Program Aim:** To provide participants with the knowledge to be able to apply relevant research protocols and/or ensure that relevant research protocols are applied to promote positive research outcomes for Aboriginal and Torres Strait Islander peoples, researchers and research institutions.

This is a workshop for those who are involved in conducting research with and/or for Aboriginal and/or Torres Strait Islander peoples and/or those who have a responsibility in ensuring that such research is conducted in an appropriate and ethical manner. While the focus of the program is research, the program may also be of benefit to those engaged in working with Aboriginal and/or Torres Strait Islander peoples and communities.

Who should attend?

- ◆ Researchers including post graduate students
- ◆ Research Student Monitors
- ◆ Ethics Monitors
- ◆ Post Graduate Supervisors
