

2016 Domestic Undergraduate Tuition Fee Schedule

Most domestic undergraduate students are Commonwealth supported students. A small number of domestic undergraduate students are tuition fee paying students. Information about domestic undergraduate tuition fees is provided below.

1. 2016 Students that begin their course as an international tuition fee student and whose residency status changes (Table A):

Students who are admitted to the **Bachelor of Medicine/Bachelor of Surgery, Bachelor of Dental Surgery** or the **Bachelor of Veterinary Science** as an international tuition fee student and they change their residency status during their course of study, will then be enrolled as a domestic tuition fee student and pay a fee equivalent to the international tuition fee (Table A) for a total of 48 credit points, after which the student may apply for a Commonwealth supported place.

Domestic tuition fees are charged according to the subject discipline and the number of credit points for each subject. The 2016 fees for the Bachelor of Medicine/Bachelor of Surgery, Bachelor of Dental Surgery and the Bachelor of Veterinary Science are shown below.

To calculate fees:

Prefix: Credit Point Value

MD2008:03 (Medicine subject worth '03' or three credit points)

Eg: MD2008 = \$1,750 (fees per credit point) x 3 credit point value = \$5,250

Table A

Discipline	Fees per 3 credit point subject	Fees per full-time year of study
Medicine/Surgery	\$5,250	\$42,000
Dental Surgery	\$6,125	\$49,000
Veterinary Science	\$6,125	\$49,000

2. 2016 Domestic undergraduate miscellaneous students (non-award) (Table B):

Domestic miscellaneous undergraduate tuition fees are charged according to discipline and the number of credit points for each subject.

This fee schedule is required when:

- A student is enrolled as a domestic undergraduate miscellaneous student (not enrolled in an award course); or
- A student chooses not to be Commonwealth supported on or before the census date and requests to pay domestic tuition fees for a subject/s.
