FAQs

- **Why is it a full day?**
We understand how difficult it can be to make the morning session for travelling schools, so we've streamlined the event to allow flexibility for schools to arrive and depart at their convenience and be able to showcase the best of JCU with hands-on, interactive activities.
- **Can we register for both days?**
You may choose to register for both days depending on the timetable for your different year levels. It is recommended that students only attend one day though.
- **How will the Student Sessions be structured?**
Once your students arrive at JCU we'll check them in and they'll be able to access the designated event space. Students will be immersed in the university environment and gain insight into the different courses and career opportunities that are available. They will also have the opportunity to talk to Student Ambassadors about what it's like to study at JCU, learn about all the social aspects of uni life, chat with Academic Staff, and find out about all the support services that will be available to them.
- **Will lunch be provided for students and teachers?**
Lunch won't be provided for students and teachers however there are a range of food and drink options available on campus should you or your students wish to purchase something.
- **Why isn't there a Residential Program?**
Unfortunately, we are unable to run the Residential Program in Cairns due to no room availability in both on-campus accommodation facilities. We apologise for the inconvenience.
