

### WHAT IS PASS?

PASS is a **FREE** academic support program for students. PASS sessions start in Week 2.

PASS provides a casual, friendly and active learning environment where students can work together to better understand the content and learning objectives for a subject.

**Students who consistently attend PASS sessions are shown to attain higher results than those who do not participate.**

### WHY ATTEND PASS?

- ✓ **Improve marks** and overall academic performance
- ✓ **Save time** and study more effectively
- ✓ **Understand subject content** more deeply
- ✓ Develop relationships with other students

<b>SC1102:</b> Modelling Natural Systems				✓	✓	

**CNS = Cairns / TSV = Townsville / EXT = External**

Each PASS is led by a student (a peer) who has studied the subject previously and who has attained exemplary results. The leader will help with skills for **What to Learn** and **How to Learn**.

**Explore PASS yourself to experience its benefits!**
