Queensland Government instructions on how to protect yourself and others- COVID-19

To protect yourself, your family and the community from getting COVID-19, you must maintain good hygiene and practice social distancing (also called physical distancing).

✓ Do

- Stay home if you are sick
- If you have any [COVID-19 symptoms](#), no matter how mild, get [tested](#)
- Stay 1.5 metres away from other people—think two big steps
- Wash your hands often, using soap and water or hand sanitiser
- Sneeze or cough into your arm or a tissue. Then put the tissue in the bin
- Wear a [face mask](#) when you are not able to keep 1.5 metres away from other people or whenever [mandatory face masks](#) are required.

✗ Do not

- Go near people if you are coughing or sneezing
- Touch your mouth, nose and eyes
- Shake hands
- Hug or kiss people.
