The following activities were completed as outlined in the Professional Experience Handbook:

All Requirements must be ticked to pass the Placement	
	PST completed the QPERF Portfolio
	Minimum of 'G' (Graduate level) in ALL descriptors against the QPERF Report
	Completed the required number of consecutive Professional Experience days (ED4490 -25 days)
	All sections and fields of the QPERF Report are completed
If supervised by two Site-Based Teacher Educators, ONLY one Report per placement is required—moderated between Site-Based Teacher Educators.	

Supervising teachers are not required to provide an overall assessment score for the Preservice Teacher; this is determined by higher education institutions as part of their assessment processes.

APST Graduate Career Stage descriptors have been grouped to assist the supervising Teacher's observation and assessment of professional experience. All sections are weighted evenly. Some descriptors are dependent on context so may not be assessable for all Preservice Teachers during the final summative professional experience. A single piece of evidence may address multiple descriptors, including those in several sections of this Form.

Higher education institutions are encouraged to use this document as a basis for non-summative professional experience reporting templates used at earlier professional experience placements.

Assessment ratings	
Exceeding graduate level (E)	Consistent evidence of knowledge, practice and engagement that exceeds the APST descriptors at the Graduate Career Stage.
Graduate level (G)	Consistent evidence of knowledge, practice and engagement that demonstrate the APST descriptors at the Graduate Career Stage.
Developing towards graduate level (D)	Awareness of the descriptors at the APST Graduate Career Stage but demonstrates inconsistent knowledge, practice and engagement at this level.
Below graduate level (B)	Little or no evidence of knowledge, practice and engagement or awareness that meet the descriptors at the APST Graduate Career Stage.
