## 2025 STUDENT PROFESSIONAL EXPERIENCE CALENDAR

InPlace Placement Preference Surveys are issued to students who are potentially eligible to enrol in a subject with an embedded placement. These surveys must be completed in the year prior to placement at the indicated due dates.

Failure to complete the survey will result in a placement not being sourced.

Out Of Step Students: It is your responsibility to contact Student Placements Team before Week 1 Semester 1 (or Block 1), to be issued a Placement Preference Survey.

Failure to make contact will mean that a placement will not be found.
