

## Bachelor of Education (Secondary) (Geography FTA) (Second Teaching Area) Accelerated

Once you have chosen your second teaching area, please contact the Enrolments Team [enrolments@jcu.edu.au](mailto:enrolments@jcu.edu.au) for a personalised accelerated study plan. Some FTA and STA combinations can only be accelerated with approval to overload.

Useful study planning/enrolment resources:

- [Subject Search](#)
- [Academic Calendars](#)
- [Class Registration](#)
- [Enrolment Resources](#)

The information in the study planner is current at the time of creation may be subject to future change. Seek enrolment advice before deviating from the sequence provided in this plan.

It is a national requirement that all Initial Teacher Education pre-service teachers undertake the Literacy and Numeracy Test for Initial Teacher Education (LANTITE). The LANTITE must be attempted before the end of the first year of full-time study (or equivalent). It must be successfully completed prior to placement and GTPA assessment in the final year of study.

Essential Placement Information

It is a **Pre-Placement policy** requirement to complete InPlace before the cut-off date in the designated week – Please refer to the Professional Experience Calendar in the EDU\_Profex Community Site.

**For embedded Professional Experience:** successful completion of Placement and coursework (and associated assessment) is required to pass the subject overall. All subject requirements must be completed in the same study period in which you are enrolled. If you are repeating a subject with embedded Professional Experience, you must reattempt all subject requirements (i.e., practicum completed in a previous enrolment does not count).

**Out Of Step Students:** It is the responsibility of the student to email [placements@jcu.edu.au](mailto:placements@jcu.edu.au) at the commencement of the study period prior to enrolling in the subject to request a placement. Failure to do so will mean that a placement will not be found.

	TRIMESTER 1	TRIMESTER 2	TRIMESTER 3
<b>2026</b>	ED1421:03 Foundations of Language and Literacy in Education <b>5 Days Professional Experience</b>	ED1491:03 Foundations of Mathematics and Numeracy for Middle School Teachers <b>5 Days Professional Experience</b>	ED1481:03 Educational Psychology: Learners and Learning
