- [Class Registration](#)
- [Enrolment Resources](#)

The information in the study planner is current at the time of creation may be subject to future change.

If you would prefer a part-time study plan, please adjust the below study planner; reviewing subject prerequisites to ensure you are on track for course completion.

Students will be eligible to be offered a position in the Research Honours major by the Academic Head if they have achieved a GPA of 5.5 in all level 1 and level 2 subjects listed in the course structure. If you receive an invitation and wish to complete the Research Major pathway, please contact the enrolments team to have your study plan updated.
