

Master of Medical Science (Future Leaders in Tropical Research)

Useful study planning/enrolment resources:

[Course and Subject Handbook](#)

[Academic Calendars](#)

[Class Registration](#)

[Enrolment Resources](#)

The information in the study planner is current at the time of creation may be subject to future change.

Attention International Student visa holders: To remain compliant with your enrolments requirements as a Student visa holder you are required to enrol in at least one On-Campus, Multi-Modal or WIL subject offering in each compulsory study period and you cannot enrol in more than one third (33%) of your total course load through online or distance learning. To complete your course within your CoE duration students must maintain sufficient subject enrolment.

If there are only Online subject offerings for you to select in a compulsory study period, contact enrolments@jcu.edu.au urgently for enrolment advice.

		TEACHING PERIOD 1	TEACHING PERIOD 2
2026			Semester 2 RM8501:06 Research Planning
			Semester 2 Select 3 credit points of any Level 5 BC, HS, MI, ML, PP or TM
			TRIMESTER 3 TM5515:03 Epidemiology for Public Health OR TM5516:03 Biostatistics for Public Health <i>Online</i>

The Master of Medical Science is transitioning to a trimester timetable in 2027. You will receive an updated study plan prior to Trimester 1, 2027. As a result of this transition, only the first year of your course can be confirmed at this time. Once the course has been fully realigned to the new trimester structure, a comprehensive enrolment planner covering 2027 onwards will be provided.
