

COMPREHENSIVE COURSE REVIEWS

The University is committed to conducting systematic reviews of course quality for all JCU coursework programs leading to an award. The purpose of course reviews is to ensure the academic quality of JCU's coursework programs are of the highest quality possible, and to meet course monitoring and review obligations under the Higher Education Standards Framework (Threshold Standards) 2021.

A comprehensive course review (CCR) will be conducted on all courses of study or groups of associated courses at least once every seven years for the purposes of renewal (i.e., internal re-accreditation).
